Chiefly on Tolk?ppiyam, ancient Tamil grammar, by Tolk?ppiyar.

1. Introduction, 2. Spiritual Heritage Tourist Centres in Tamil Nadu, 3. Cultural Heritage Tourist Centres in Tamil Nadu, 4. Natural Heritage Tourist Centres in Tamil Nadu, 5. Fairs, Festivals and Folk Entertainments in Tamil Nadu, 6. Tourism Plant Facilities in Tamil Nadu, 7. Conclusion and Suggestions. - PREFACE: "Tourism in Tamil Nadu - Growth and Development" is a captivating theme. Man has been fascinated by travel and tourism from the earliest historical period. He always has had the urge to discover the unknown, to explore new and strange places, to seek changes of environment and to undergo new experiences. Travelling to achieve these ends is not new, but tourism is of a relatively modern origin. Tourism is distinguishable by its mass character from the travel undertaken in the past. This is largely a post-second world war phenomenon. Until recently only affluent people participated in tourism. Increased leisure, higher incomes and greatly enhanced mobility have combined to enable more people to participate in Tourism. Revolution in transport, technological progress and the emergence of a middle class with time and money to spare for recreation, has led to the growth of tourism—"the modern holiday industry". Thus tourism is no longer the prerogative of a few but is an accepted part of life of a large number of people. India is one of the oldest civilizations with a kaleidoscopic variety and rich cultural heritage. For centuries India has been a centre of attraction for different people for different reasons. The ancient invaders viewed it as a goldmine with unlimited wealth to plunder; the learned were fascinated by its mystic spiritualism and profound philosophy; the uninitiated saw it as a land of naked fakirs and snake charmers; while the others were simply charmed by the sheer beauty of its natural attractions and amazing variety of its flora and fauna.

Like to walk through one of the hathivanas (elephant forests) maintained by Mauryan king Chandragupta? Wish to be part of the royal dinner of a Mughal Emperor, with the palate containing a variety of forty meat dishes? Desirous of having a glimpse of the head on the shield and full-mount trophies of tigers and lions, decorating the halls and walls of the military lounges, lavish palaces and royal houses of the British Raj? Conservation Conundrum - Journey of India's wildlife through ages is a pen-picture of the glory and good times, the trials and tribulations, persecution and perturbation of the country's wild animals in its recorded history. The author has captured the theme through a historian's kaleidoscope, where from a period of plenty in the ancient India, animal numbers plummeted to its lowest, when the country was into its first two decades of independence. From a situation of no-hope, how most of the iconic wildlife species registered a turn around and smart recovery in a span of half a century, despite the odds working against them forms the central thread. The author takes the reader through the pages in finding an answer to the usual dilemma, as to whether it is human need and interest or the future of the wild denizens that is important to a developing nation like India.

'A Khushwant Singh short story is not flamboyant but modest, restrained, well-crafted...Perhaps his greatest gift as a writer is a wonderful particularity of description'—London Magazine Khushwant Singh first established his reputation as a writer through the short story. His stories—wry, poignant, erotic and, above all, human—bear testimony to Khushwant Singh's remarkable range and his ability to create an unforgettable PBI - World. Spanning over half a century, this volume contains all the short stories Khushwant Singh has ever written, including the delightfully tongue-in-cheek 'The Maharani of Chootiapuram', written in 2008. 'Khushwant's stories enthrall...[He has]an ability akin to that of Somerset Maugham...the ability to entertain intelligently'—PBI - India Today 'His stories are better than [those of] any PBI - Indian writing in English—Times of PBI - India 'The Collected Short Stories leaves the reader in a delightful, inebriated trance'—Sunday Chronicle 'He is not an ordinary short story writer...[Collected Stories] is delightful reading'—Hindustan Times
