getting a divorce, however, they attended my weekend relationship seminar Susan said, "We have tried everything to make this relationship work We are just too different" During the seminar they were amazed to learn that their differences were not only normal but were to be expected

The Solar Wind Interaction With Mars Revisited

the solar wind interaction with Mars In particular, the previous analyses are still at odds regarding the existence of a small intrinsic field magnetosphere at Mars as opposed to a Venus-type ionospheric interaction (eg, Russell, 1978a,b; Dolginov, 1978b,c) This study contributes to the resolution of this question in three ways First, an
