Starting in the Graphics workspace, select the Type tool and click into the placeholder text in the Program Monitor to type your title. Click the Horizontal Center button in the Align and Transform tools to automatically center your title. With the Selection tool active, click the gray rectangle and drag its left side so it spans the screen.

### How to make an opening title | Adobe Premiere Pro [1]

As a CC member, I was able to download Premiere Pro CC. The only problem is that I've never used it before and know nothing about it. I struggled through some videos on the Adobe site, then came to Amazon, read reviews of how-to books, and ordered this one. It was a great choice. To be fair, I am not a beginner.
