Adrift In The Pacific Two Years

It's high adventure, the story of 15 school boys, ages 7-15, accidentally set adrift on the first night of school holiday in Auckland and how they survived two years on an island. This book is also known as Adrift in the Pacific, the title under which I found it at <http://www.archive.org/details/americana> as a free download.

Adrift In The

Pacific Two Years

(Redirected from Adrift

in the Pacific) Two

Years' Vacation
(French: Deux ans de
vacances) is an

adventure novel by
Jules Verne, published
in 1888. The story tells
of the fortunes of a
group of schoolboys
stranded on a deserted
island in the South
Pacific, and of their
struggles to overcome
adversity.
