Assistant Professor, College of the Holy Cross Bewitching Development is one of the great works of Africanist scholarship of this decade. James Howard Smith has taken on some of the most exciting themes of recent Africanist research - such as the relationship between witchcraft and modernity (as in Peter Geschiere's Modernity of Witchcraft), the exploration of how ideologies of modernity ...

Bewitching Development opens with a poignant account of tragedy that befell a Kenyan student political dissident whom Smith had befriended while he was an undergraduate exchange student at the University of Nairobi. Chapters 1-8 offer a well-structured narrative that moves from national historical context to Taita historicity; local conceptualizations of witchcraft and social boundaries; and Taita initiatives to "transform witchcraft into development" (91) in the spheres of family ...
