Nail the Right Things in the Right Order. Nail It Then Scale It is the first lean startup book to help entrepreneurs through the process of launching a high-growth company. The book combines high-level principles and a step-by-step guide of what key actions successful entrepreneurs take to reduce risk and increase success.

Nail It Then Scale It

Nail It Then Scale It by Nathan Furr and Paul Ahlstrom has become my favorite project guide, especially since the Big Idea Canvas, a companion worksheet and online course based on the book, was created by Paul a couple of years ago. Understanding the customer pain, market potential and developing solutions has never been easy.
