### Canadian Government and Politics - Seventh Edition ...

Canada's style of government is based on the British system, with the national government run as a parliamentary democracy and a constitutional monarchy. Canada also resembles the United States in that the country is divided into 13 provinces and territories, all of whom have their own separate governments with unique powers. Day-to-day Canadian politics are defined by endless back-and-forth debates between right and left, and similarly heated arguments between the federal and provincial ...

Constitutional framework. Formally, Canada is a constitutional monarchy. The titular head is the reigning monarch of the United Kingdom (locally called the king or queen of Canada), who is represented locally by a governor-general (now always Canadian and appointed by the Canadian prime minister). In practice, however, Canada is an independent federal state established in 1867 by the British North America Act.

### Canadian Politics - Understanding Canada's Political System

They would observe, for example, that the Canadian political system is a constitutional monarchy divided into three distinct branches of government (legislative, executive, and judicial), and might explore how public opinion affects political parties, elections, and the political process in general.

### Chapter 17. Government and Politics - Introduction to ...

The federal government of Canada is the body responsible for the federal administration of Canada. In Canadian English, the term can mean either the collective set of institutions or specifically the Queen-in-Council. In both senses, the current construct was established at Confederation through the Constitution Act, 1867—as a federal constitutional monarchy, wherein the Canadian Crown acts as the core, or "the most basic building block", of its Westminster-style parliamentary democracy ...
