Carl Rogers: Dialogues- Conversations with Martin Buber ...

His philosophical leanings were humanistic and existential, and this comes through in his dialogues with Tillich and Buber. They find plenty of common ground in terms of philosophical outlook, though Rogers observes that one of the problems contemporary religion faces is that many of the traditional symbols are no longer doing their work.

Carl Rogers: Dialogues ...**

This study offers an understanding of human dialogue by examining a 1957 conversation between two of this century's leading proponents of dialogue, philosopher Martin Buber and psychologist Carl Rogers. The study assumes that this conversation was a dialogue (as those principally involved said it was) and asks what we can learn about dialogue through a study of this one instance.
