Theater traditions in both West and the Asia adopted masks as one of the most important tools that could be used on stage, often creating plays that were fully acted by masked actors. Most notable example of this approach was born in ancient Greece, specifically the state-city of Athens where culture, poetry, and art were valued as an important foundation of daily lives.

the last 3,000 years.

This comprehensive guide to the theatre's history covers theatre arts around the globe, including ancient Eastern arts like Kabuki and more modern ones such as Bollywood. This book goes back to what we know from our earliest ancestors by examining ancient artifacts and ancient texts to find out how theatre was influenced by life and how it in turn influenced the culture of the people who came to enjoy it. The book concludes with a look at modern theatre and its current heyday as

entertainment for the masses, especially in places like Broadway in New York City.

This book aims to offer a broad history of theatre in Africa. The roots of African theatre are ancient and complex and lie in areas of community festival, seasonal rhythm and religious ritual, as well as in the work of popular entertainers and storytellers. Since the 1950s, in a movement that has paralleled the political emancipation of so much of the continent, there has also grown a theatre that comments back from the colonized world to the world

there is as much drama behind the scenes as there is in the performance: famous actors relate their intimate experiences in the fitting room, the glories of gorgeous costumes, and the mortification when things go wrong, while the costume makers explain how famous shows were created with toil, tears, and sweat, and sometimes even a little blood. This is history told by the people who were present at the creation - some of whom are no longer around to tell their own story. Based on original research and first-hand reporting, A History of the Theatre Costume Business is
