guides guide you along the path to the professional career of your dreams

Peterson's Master the CLEP is the essential prep guide for non-traditional students who are looking to begin a college career and for current students who want to save on tuition costs by testing out of certain courses. When you use this guide, you will get a basic overview of the CLEP, a look at the general examinations and the vast number of subject-specific exams, tips for registering and preparing for the CLEP, and a guide to interpreting your test scores. This is followed by extensive reviews of the five CLEP general examinations, with pre- and post-tests and subject matter overviews that will help you pinpoint your strengths and weaknesses. The Appendix will go into detail about a number of CLEP subject exams.
