Il est difficile d'imaginer plus efficace que Le grand livre des p é nis pour attirer l'attention et stimuler les ventes - à part les m ê mes images d'appareils g é nitaux impressionnants en trois dimensions. En trois dimensions, chaque double page est comme un d é pliant en relief ! Cette é dition sp é ciale de 220 pages et de 30 cm sur 30 comprend 96 images tir é es du livre original, ainsi que 8 in é dites, converties en 3-D par John Schnitzer et The Brain Factory, les v é ritables g é nies responsables notamment des effets sp é ciaux des films de Tim Burton. Le coffret comprend une r é vision de l'introduction et de la mise en page, et est propos é avec deux paires de lunettes de vision en 3-D, aux verres bleus et rouges, pour vous permettre d'admirer le livre à deux, ou seul une fois us é e la premi è re paire. Contrairement aux images figurant dans d'autres ouvrages en 3-D publi é s jusqu'ici, celles du Grand livre des p é nis en 3-D ne sont pas d é form é es lorsqu'on les observe sans les lunettes. La technique utilis é e par The Brain Factory est si perfectionn é e qu'il est difficile ne serait-ce que de distinguer les teintes bleue et rouge sur les clich é s en noir et blanc. Pourtant une fois les lunettes chauss é es, les parties int é ressantes surgissent de la page non pas en une succession de couches plates, comme dans les photos en 3 dimensions classiques, mais pour dessiner des contours pleins et ronds. Il ne fait aucun doute que ce livre est une parfaite id é e de cadeau. Depuis l'apparition de la 3-D, lances, manches,

fusils, fus é es ont tous é t é point é s sur le public pour montrer le réalisme de l'effet obtenu. Les effets sp é ciaux du Grand livre des p é nis en 3-D sont tout aussi convaincants.

This hefty volume is profusely illustrated with more than 400 historic photos of spectacular male endowments, including rare photos of the legendary John Holmes. The majority of the photographs are from the 1970s when the sexual revolution first freed photographers to depict nude men.

Back in 1974, the sexual revolution was in full swing and the adult entertainment business was on the verge of becoming Big Business. Deep Throat had created America's first porn star in 1972, but by 1974 Linda Lovelace was already retired and the industry was seeking the next big thing. Vanessa del Rio should have been that thing, except in 1974 there were no ethnic sex stars. Undeterred, Vanessa took any role they'd give her, because, amazingly, she was there for the sex more than the money. Fans, awed by her ferocious onscreen sexuality, made her a top box office draw and America's first Latina star. Retired since 1986, Vanessa del Rio remains a sexual icon who cuts across all ethnic boundaries. What her fans don't know is that her real life was, and is, as wild as anything she did on film. In this sumptuous over-sized volume, TASCHEN celebrates a remarkably candid, confident and exuberantly sexual woman. Presented through Vanessa's own archive, in her own words, is a life at once shocking, titillating, amusing, and inspiring. And because paper and ink can't do justice to a personality this big, an original 140 minute DVD documentary is included. If you aren't already convinced, this book will end all doubt that there could ever be another woman like Vanessa del Rio. Vanessa del Rio is limited to a total of 1,500 numbered copies, each signed by Vanessa ? 1,300 copies in the Collector's Edition ? 200 copies in the Art Edition, with a signed watercolor lithograph of Vanessa by acclaimed artist Robert Crumb * Bonus for one lucky reader: one of the 1,500

This book contains no nudity. No profanity. No sexual material of any kind. And yet it just might be the most obscene thing we've ever published! Penis Pokey is an illustrated board book with a large die-cut hole in its center. Every spread features a dazzling full-color illustration with one thing missing a banana, perhaps, or a fire hose, or a sea serpent. Male readers can complete the illustrations using the talents God has given them. Are we serious? Yes! Is this funny? Absolutely! Will this be a terrific hit with college students, bachelorette parties, and exhibitionists of all ages? Of course! Penis Pokey is far and away the strangest and funniest novelty book we've seen in a long, long time.

Welcome to The Little Book of Pussy, a petite little kitten that puts those up-close-and-personal pictures in proper perspective. Through 100 years of photos, we trace the exhibitionistic pleasure with which models present their feminine pulchritude.

This fourth installment of Hanson's critically acclaimed body parts series is an exploration of the perennial fascination with female derriere. More than 400 photos from 1900 to the present day are contextualized by interviews with porn icon John Stagliano, artist Robert Crumb, and others.

This series of photographs taken for such prestigious top magazines as Egoiste, Details, The Face, Paris-Match, & Detour is a provocative, stimulating & highly sexual collection. The catalogue
