The Nazis murdered their husbands but concentration camp prisoners Priska, Rachel, and Anka would not let evil take their unborn children too—a remarkable true story that will appeal to readers of *The Lost and The Nazi Officer's Wife*, *Born Survivors* celebrates three mothers who defied death to give their children life. Eastern Europe, 1944: Three women believe they are pregnant, but are torn from their husbands before they can be certain. Rachel is sent to Auschwitz, unaware that her husband has been shot. Priska and her husband travel there together, but are immediately separated. Also at Auschwitz, Anka hopes in vain to be reunited with her husband. With the rest of their families gassed, these young wives are determined to hold on to all they have left—their lives, and those of their unborn babies. Having concealed their condition from infamous Nazi doctor Josef Mengele, they are forced to work and almost starved to death, living in daily fear of their pregnancies being detected by the SS. In April 1945, as the Allies close in, Priska gives birth. She and her baby, along with Anka, Rachel, and the remaining inmates, are sent to Mauthausen concentration camp on a hellish seventeen-day train journey. Rachel gives birth on the train, and Anka at the camp gates. All believe they will die, but then a miracle occurs. The gas chamber runs out of Zyklon-B, and as the Allied troops near, the SS flee. Against all odds, the three mothers and their newborns survive their treacherous journey to freedom. On the seventieth anniversary of Mauthausen's liberation from the Nazis by American soldiers, renowned biographer Wendy Holden recounts this extraordinary story of three children united by

Gripping and inspiring, these true stories of bravery, terror, and hope chronicle nine different children's experiences during the Holocaust. These are the true-life accounts of nine Jewish boys and girls whose lives spiraled into danger and fear as the Holocaust overtook Europe. In a time of great horror, these children each found a way to make it through the nightmare of war. Some made daring escapes into the unknown, others disguised their true identities, and many witnessed unimaginable horrors. But what they all shared was the unshakable belief in-- and hope for-- survival. Their legacy of courage in the face of hatred will move you, captivate you, and, ultimately, inspire you.

"The incredible true story of Michael Bornstein--who at age 4 was one of the youngest children to be liberated from Auschwitz--and of his family"--

Ruth Klein ' s story is about merchants and landowners—aristocratic Polish Jews. It ' s about their lives in refugee and concentration camps. About parents who survived the Holocaust but could not overcome the tragedy they had experienced, and about their children, who became indirect victims of the atrocities endured by Holocaust victims. After their liberation, Ruth ' s parents were brought to the Displaced Person Camps in Germany, where they awaited departure to the United States. They were traumatized, starving, and impoverished—but they were among the survivors. Once in America, however, their struggles didn ' t end. Nearly penniless, Ruth ' s family—and the close-knit group of Polish refugees they belonged to—were

placed for settlement in Los Angeles, where they lived in poverty only a few miles away from the wealth and glamor of Hollywood and Beverly Hills in the early 1950s. Ruth tells how, time after time, her parents had their dreams broken, only to rebuild them again. She also shares what it was like to grow up with parents who were permanently damaged by the effects of the war. Theirs was a dysfunctional household; her parents found great joy and delight moving through life ' s experiences in their new country, yet tumult and discord colored their world as well. As a young girl, Ruth developed a passionate relationship with the piano, which allowed her to express a wide range of feelings through her music—and survive the chaos at home. Full of both humor and unfathomable tragedy, *Surviving the Survivors* is Ruth ' s story of growing up in an environment unique in time and place, and of how, ultimately, her upbringing gave her a keen appreciation for the value of life and made her, like her parents, a survivor.

Ravensbr ü ck was the only major Nazi concentration camp for women. Located about fifty miles north of Berlin, the camp was the site of murder by slave labor, torture, starvation, shooting, lethal injection, "medical" experimentation, and gassing. While this camp was designed to hold 5,000 women, the actual figure was six times this number. Between 1939 and 1945, 132,000 women from twenty-three countries were imprisoned in Ravensbr ü ck, including political prisoners, Jehovah's Witnesses, "asocials" (including Gypsies, prostitutes, and lesbians), criminals, and Jewish women (who made up about 20 percent of the population). Only 15,000 survived. Drawing upon more than sixty narratives and interviews of survivors in the United States, Israel, and Europe as well as unpublished testimonies, documents, and photographs from private archives, Rochelle Saidel provides a vivid collective and individual portrait of Ravensbr ü ck ' s Jewish women prisoners. She worked for over twenty years to track down these women whose poignant testimonies deserve to be shared with a wider audience and future generations. Their memoirs provide new perspectives and information

about satellite camps (there were about 70 slave labor sub-camps). Here is the story of real daily camp life with the women ' s thoughts about food, friendships, fear of rape and sexual abuse, hygiene issues, punishment, work, and resistance. Saidel includes accounts of the women's treatment, their daily struggles to survive, their hopes and fears, their friendships, their survival strategies, and the aftermath. On April 30, 1945, the Soviet Army liberated Ravensbr ü ck. They found only 3,000 extremely ill women in the camp, because the Nazis had sent other remaining women on a death march. The Jewish Women of Ravensbr ü ck Concentration Camp reclaims the lost voices of the victims and restores the personal accounts of the survivors.
