What other readers say: "After starting reading "The Six Ghosts" I just couldn't stop reading it and practically had to read it in one breath. The mysterious and fantastic art of this suspense kept me on the tip of my toes. The writing is very musical, rich in vocabulary and still very much to the point. It felt a bit like watching an art movie. The end was a big surprise, it took me a while to figure it out - and it was worth it! Highly recommended!" "This book is an intriguing page turner with such an unexpected twist at the end. Excellent! Well worth the read." [...] There is a mystery throughout the book, or better to say mysteries. And when you think the mystery is solved something happens and everything is reversed. [...] Review of Onlinebookclub.org Good story i enjoyed reading it and will no doubt read it over many times and would happily recommend it to others
