Birthday Cakes

Australia's most famous children's cake book - reprinted in a collector's edition. The Australian Women's Weekly's Children's Birthday Cake Book was first published in 1980 and has sold more than half

Download Free Kids Birthday

a million copies. In response to all the requests we have had, often from mothers who remember fondly all the cakes from their own childhood, we have taken this book from our archives and reprinted it 30 years after it first appeared. We have had to make a minor change - four of your little friends are missing, but

Download Free Kids Birthday

they've been replaced by other cakes you'll love just as much. Apart from that we've left it just as it was - a true collectors' cookbook especially for you. Now you can recreate your favourite cakes - the swimming pool, rocket and that train from the cover for your own child.

A big book of fabulous ideas for making imaginative birthday cakes for kids.

The cake part is easy - there are recipes for simple cakes, or you can use a packet mix or a cake you have bought.

It's the decorating that's the fun part and these cakes are mostly decorated with simple icings and lots of lollies.

Included are more than

120 delightful, witty
individual party cakes.

Enchanting, timeless
children's classics by
A.A. Milne Robert Louis
Stevenson and more.

Includes "The Owl and
the Pussy Cat", "The
Gingham Dog and the
Calico Cat", "Wynken,
Blynken and Nod", as
well as other beloved
favorites.

Clarence loves to steal cakes. He steals them in all shapes and sizes from the other people in the town. What happens when he finally gets caught? Read the book to find out Clarence's fate!

A generation of
Australian children have
grown up with the cakes

from the Australian
Women's Weekly. From
the duck cake with its
beak of potato chips, to
the jelly-filled pool cake
and cover-worthy train
cake, there are decades
of treasured memories
between the page of the
Children's Birthday
Cake Book. Celebrate
its 40th anniversary
with this special
hardcover edition.

Life Colors is a curriculum designed for early childhood education that enriches

Download Free Kids Birthday

the development and grooming of young children as they enter into the world. The world is enriching and full of colors of the rainbow spectrum, and how do we, as caregivers, enrich and give our children the chance to blossom into the fullest potential of their embodying character to face the

Download Free Kids Birthday

demands of the world they will interact and engage with? A creative, interactive, and self-expressionist curriculum is what Life Colors provides as a platform for the child to explore and learn and develop their own unique individuality. We embrace their being and their uniqueness and individuality as

strengths and promote positive behaviors whilst managing maladaptive or disruptive coping by identifying the stressful stimuli that they are reactive towards.

Working with parents on a confidential trust, we will manage the stressors and deal with them appropriately so that the child can grow
