Humans of New York meets Porn for Women in this collection of candid photos, clever captions, and hilarious hashtags about one of the most important subjects of our time: hot dudes reading. Based on the viral Instagram account of the same name, Hot Dudes Reading takes its readers on a ride through all five boroughs of New York City, with each section covering a different subway line. Using their expert photography skills (covert iPhone shots) and journalistic ethics (#NoKindles), the authors capture the most beautiful bibliophiles in all of New York—and take a few detours to interview some of the most popular hot dudes from the early days of the Instagram account. Fun, irreverent, and wittily-observed, this book is tailor-made for book lovers in search of their own happy endings—and those who just want to get lost between the covers for a while.

FROM THE VIRAL YOGA STAR - 43 MILLION VIEWS IN JUST FIVE DAYS Yoga as it's never been seen before! 'Yoga can feel elitist but the book does not alienate. Partly because of its gentle humour, and partly because the language does not assume any knowledge of terms or sequences. It's straightforward and to the point. And the scenery beats a sterile yoga studio.' - Evening Standard 'Apparently there is something about the recipe of beards, kilts, butts and the Scottish highlands that just works.' - Finlay Wilson 'Yoga and kilts in a Perthshire forest has proved to be just what the world was waiting for.' - BBC Get ready to lose yourself in the wilds of Scotland and reconnect with the natural world in this gorgeous little book that will make you look at yoga in a whole new way - kilt optional! After recovering from an accident, Finlay Wilson found yoga was the best way to rebuild his strength. Now a qualified yoga instructor himself, he's decided to bring a modern take to this ancient practice. Feast your eyes on his yoga moves and discover why his Kilted Yoga video became an instant global sensation. This beautiful book is both dramatic and inspirational, but also tongue in cheek, quirky and funny. Finlay introduces you to the fundamentals of yoga through four progressive sequences to help you develop your practice. Combining stunning photography of the Scottish highlands with practical advice, Kilted Yoga is the inspiration you've been waiting for - join the movement here. Friends, neighbors, and passersby from all over the country can't fail to miss "The Sign"s constantly changing humor and insight. On occasion, The Sign of the Apocalypse (SOTA) traffics in the earnest, but at its heart is rooted in a deep-seated desire to express the sarcastic and snort-worthy. This, and a love of haiku, pizza, Latin, double entendre, and the worst puns ever crafted. Two years in the making, the message on "The Sign" is changed on a daily basis, with the primary benefit of slowing passing traffic to a honking crawl. It was designed to convey pithy tidbits of thought and wordplay. In its conception, SOTA was perpetrated in spite of the objection of the author's girlfriend, and with hopes of creating controversy and dismay in the local community. The girlfriend packed up and left, and the community and town fathers were surprisingly grunted by the proceedings. Punny and sarcastic signs include: " When attacked by a gang of clowns, go for the juggler " What if doing the hokey pokey really is what it's all about? " Legalize marinara " A penny saved is ridiculous " Wendy, please take me back / I'm so miserable / it's almost like / you're still here

This little book is filled with positive affirmations that will show you that your point of power is always in the present moment, and this is where you plant the mental seeds for creating new experiences. Think about how you'd like to live and what you'd like to accomplish. Each day Louise L. Hay will help guide your thinking in positive ways to accomplish these goals. As you read this work, you'll find that you develop new mental habits that you can use for the rest of your life!

The pictures are paired with tongue-in-cheek captions showcasing the likes and dislikes of both the man and the kitten. Like the guys themselves, this book is the perfect combination of cute, sexy, and funny. You'll find yourself saying "ooh" and "aw" at the same time!

Washington Post columnist Alexandra Petri turns her satirical eye on her own life in this hilarious new memoir... Most twentysomethings spend a lot of time avoiding awkwardness. Not Alexandra Petri. Afraid of rejection? Alexandra Petri has auditioned for America's Next Top Model. Afraid of looking like an idiot? Alexandra Petri lost *Jeopardy!* by answering "Who is that dude?" on national TV. Afraid of bad jokes? Alexandra Petri won an international pun championship. Petri has been a debutante, reenacted the Civil War, and fended off suitors at a Star Wars convention while wearing a Jabba the Hutt suit. One time, she let some cult members she met on the street baptize her, just to be polite. She's a connoisseur of the kind of awkwardness that most people spend whole lifetimes trying to avoid. If John Hodgman and Amy Sedaris had a baby—they would never let Petri babysit it. But Petri is here to tell you: Everything you fear is not so bad. Trust her. She's tried it. And in the course of her misadventures, she's learned that there are worse things out there than awkwardness—and that interesting things start to happen when you stop caring what people think.

Entertainment Weekly Magazine presents *Outlander*.

This festive parody reimagines a classic bedtime book as a lively Jewish family gathering complete with bubbies and zeydes—a perfect gift or read aloud that includes an exclusive latke recipe by Ina Garten, TV's *Barefoot Contessa*! In the small blue room there was a bubbala, and a little shmatta, and then—oy vey!—came the whole mishpacha! This zesty parody of one of America's favorite picture books offers a very different bedtime routine: one that is full of family exuberance and love. Instead of whispers of "hush," this bedtime includes dancing and kvelling, and of course, noshing—because this little bunny is a Jewish bunny, and this joyous book celebrates the Jewish values of cherishing your loved ones, expressing gratitude, and being generous. Filled with Yiddish words, the book includes a phonetic glossary and even an easy latke recipe by beloved cookbook author Ina Garten, who calls the book "brilliant, beautiful, important, and so much fun!"
