So far, I love my new Paperwhite Kindle. I've been using an aging keyboard Kindle 2, waiting for a version with a built-in light like this. Amazon really got it right with the light on this one. The high resolution screen is noticeably easier to read, and the user interface is well thought out. The form factor is also an amazing improvement.

An American expatriate in Rome unearths his family legacy in this sweeping novel by the acclaimed author of The Prince of Tides and The Great Santini: A Southerner living abroad, Jack McCall is scarred by tragedy and betrayal. His desperate desire to find peace after his wife's suicide draws him into a painful, intimate search for the one haunting secret in his family's past that can heal his anguished heart. Spanning three generations and two continents, from the contemporary ruins of the American South to the ancient ruins of Rome, from the unutterable horrors of the Holocaust to the lingering trauma of Vietnam, Beach Music sings with life's pain and glory. It is a novel of lyric intensity and searing truth, another masterpiece among Pat Conroy's legendary and beloved novels. Praise for Beach Music: "Astonishing . . . stunning . . . The range of passions and subjects that bring life to every page is almost endless."The Washington Post Book World "Magnificent . . . clearly Conroy's best."San Francisco Chronicle "Blockbuster writing at its best."Los Angeles Times Book Review "Pat Conroy's writing contains a virtue now rare in most contemporary fiction: passion."The Denver Post "A powerful, heartfelt tale."Houston Chronicle

George Orwell's celebrated novella, Animal Farm, is a biting, allegorical, political satire on totalitarianism in general and Stalinism in particular. One of the most famous works in modern English literature, it is a telling comment on Soviet Russia under Stalin's brutal dictatorship based on a cult of personality which was enforced through a reign of terror. The book tells a seemingly simple story of farm animals who rebel against their master in the hope of stopping their exploitation at the hand of humans and creating a society where animals would be equal, free and happy. Ultimately, however, the rebellion is betrayed and the farm ends up in a state as bad as it was before. The novel thus demonstrates how easily good intentions can be subverted into tyranny.Orwell has himself said that it was the first book in which he had tried, with full consciousness of what he was doing, (to fuse political purpose and artistic purpose into one whole.) The book was first published in England in 1945, and has since then remained a favourite with readers all over the world, and has consistently been included in all prestigious bestseller lists for the past many years.
