The revolution in digital technology has turned us all into shutterbugs. Never before has it been so easy to snap photos and share them instantly. But what about the quality of these images? Does simply owning a digital camera make you a first-rate photographer? For those who want to take a better picture, this lavishly illustrated guide reveals the art of composing incredible photos in any scenario. Written with care from a long-time industry professional and digital photography expert, it leads you through every aspect of good composition, asking questions that go beyond the usual aesthetic parameters. Do you know why the Fibonacci Numbers are a powerful compositional tool? Have you considered lines of force in your photos? Do you utilize the golden rectangle to the highest advantage? These are just a few of the illuminating ideas Paul Comon presents to enhance your perception of what makes a well-composed photograph—and which will have you taking great-looking photos faster than you ever imagined possible.

Lighting, exposure, and computer effects: every one of these photographic elements helps create a photograph 's ambience, transforming it from a simple document into an eloquent, interpretive piece of art. From Kodak comes a complete course in

Refining the image and enhancing the scene you ' re capturing. It focuses on personal expression, on moving beyond reality through point of view, software options, and all the camera ' s tools. Master photographer Joseph Meehan provides invaluable professional advice on how to add drama with light quality, change the subject presentation through lens focal length, work with filters, shift perspectives, and harness the power of black-and-white imagery. Artist portfolios filled with award-winning examples illustrate every concept, and show photographers how to turn ordinary pictures into truly compelling pieces.

This pocket-sized resource is filled with a wealth of essential and helpful information for mastering digital photography, from choosing the right camera and selecting accessories, to taking better portraits and improving image composition. Original.

An in-depth guide to copying slides, photographs, paintings, line art, and more--completely updated with a new chapter on using digital imaging for copying and duplicating. "...many of the illustrations are near miraculous examples of what proper materials and techniques can do....required reading for anyone who wants to copy old photographs, duplicate slides, or needs to make internegatives from slides."--Shutterbug.

A photo series documenting the decline of the worlds largest manufacturer of analog film.

Over 130 years old, Eastman Kodak Company was headed for trouble for more than the last 50 years. The story, especially of the CEOs who headed the company tells how they steered the company astray. There are lessons to be learned. There is no assurance that Kodak will survive its bankruptcy.

Here ' s the definitive guide to building a Web presence that will increase revenue, improve customer relations, and enhance brand loyalty. Author Ian Cocoran, a digital brand expert, explains traditional branding and how the same principles can be applied to Web sites, no matter what the industry. Chapters cover the entire range of site content: color schemes and menu formats and the pivotal roles they play; incorporating essentials such as company history, careers, site maps, search engines, and FAQs; choosing one global portal versus country-specific content; encouraging and retaining traffic flow; adding depth to the Web experience with audio, video, and animation; maximizing site functionality for online shopping or software updates; and much more. Step into the digital age with expert help from *The Art of Digital Branding*. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms,
