How Cool Are Penguins is a book that will introduce young children to the world of penguins. It is written and illustrated in a fun and informative way that will entertain both the young

and the young at heart.

God created animals with everything they needed. To be content and succeed, He designed homes perfectly suited to each one. However, the animals were unhappy with the places that God had made for them and eventually gave into the insecurities and fears they all felt. Owl was frightened of the dark, Mountain Goat became faint-hearted as he looked down from the narrow mountain ledge. Duck panicked every time she neared the water. Camel detested the hot, dry wind and Penguin hated the icy cold. Through whimsical illustrations and creative prose, " God Gave Me Everything I Need To Be Me! " encourages self acceptance, individuality and appreciation as the animals finally realize God had given them exactly what each one required to make them complete.

"HOW SWEET IT IS will set your heart on fire" -Robyn Carr, New York Times bestselling author "One sweet read! Everything I love best: humor, warmth, emotions that pull at the heartstrings, characters that step off the page, and a wonderful love story." -- Mariah Stewart, New York Times bestselling author HOW SWEET IT IS Single mom Lizzie Bea Carpenter learned long ago that no white knight was coming to save her. A hardworking waitress at the local diner, she's raising her daughter to be like the independent women in her "Enemy Club"--high school rivals turned best friends, promising to always tell each other the whole truth and nothing but! Yet part of Lizzie wishes she did have a man's help, just for small stuff,

like fixing up the house. Her fairy godmother must have been listening, because Dante "Tay" Giovanni soon appears. He's sexy, kind, and offering assistance--no strings attached. Slowly, steadily, Lizzie's heart opens. But the grip of the past is fierce, and nothing in life is ever really free. Tay has his own tragedies to overcome, but if he can, he'll fix more than Lizzie's home. He'll show her just how sweet it is to be loved by him.

Babel, Alan Burns's fourth critically acclaimed novel, contains all the hallmarks of the aleatoric style he helped to define--shot through with seemingly random newspaper headlines, poems, snatches of conversation and anecdote, which both heighten and undermine meaning, and characterized by extreme contrasts of mood and style and startling surrealist juxtapositions of images and ideas. By turns comic and tragic, tender and brutal, religious and blasphemous, the narrative rockets from London to the United States to Vietnam to interstellar space, familiar events are constantly fragmented and reset into new patterns, and ultimately Babel becomes a cautionary tale about the tragedy arising from attempting to build Utopia.
