This gives a certain edge to the story and, although I always like to form my own opinion, I must say that this made for an entertaining read, made me chuckle in spite of the feelings of anger ...

Beth Murray: a prostitute in her twenties working the streets of Manchester, with little more than troubled memories to show for her existence. Douglas Mann: a respected headmaster & middle-class family man, with a comfortable lifestyle to show for his. Two different people living two different lives. Inspired by actual events, this is the story of how fate dramatically altered the course of those lives and brought them together in one dark world: a world filled with violence, drugs and gangsters, a world where hopes, dreams and fairy tale endings have no place. A world where nobody hears you cry.

Read Book Nobody Heard Me Cry

Lord, Please Don't Let Her See Me Cry is a true story of child abuse so atrocious I have suffered from it for over fifty years, having not only the endure the memory but also being forced to see the scars every time I change my clothes. I only survived because of my faith in God and God's mercy on me. As a child, I promised God that if he would see me through, I would one day pay him back by helping other children in similar situations. I hope this book helps bring the attention of the world to the problem of child abuse so that the abusers may be punished and the abused healed. Please help the children of the world. They are our future. Love in Jesus Christ. Steve Heine "Steve's story re minds us of the great hope we have in Christ; He continued to take the broken pieces of our lives, and puts them together by forgiveness, healing, and love. Steve is one of the most inspiring people I have ever known. I highly recommend this book for all to read, especially those who have been hurt and broken by abuse. There is hope!" Dr. C. Alan Floyd Senior Pastor First Baptist Church of Middleburg "I urge anyone to read this moving and poignant book. Put yourself in Mr. Heine's place and you will be thankful to God for his goodness and bounty." Major Allan Phillips Salvation Army Clay County, Florida "Awe inspiring! A story of courage and triumph. Steve is truly a man who understands his purpose" Tim and Brooke Hewitt Entrepreneur "Heart wrenching and a must read. I could not put the book down. It is a story of human suffering, but ultimately a God-given triumph." Dr. Vaughn Dalrymple

This book can be a catalyst for change in your life. It can help you be released from secrets that do not need to be kept any longer. The longer we keep the secrets in, the more power we give to the abusers. The longer we let the pain stay inside, we are not truly free to grow and flourish in the relationships that come into our lives. Dormant secrets have a way of showing up when we least expect it. God gives us the power through His Word and the Holy Spirit to be set free and transformed! Through the poems, real life testimonies, journaling and prayers in the book, expect God to create a new heart within you!
