The Prepper's Long-Term Survival Guide by Jim Cobb is an excellent overview of the skills and supplies you need for long-term survival. This is not a book on 72-hour kits or fundamental skills such as fire-making, though both of these topics do get some attention. This book, as the title suggests, focuses on long-term survival and self-sufficiency.

The Practical Preppers and a nationally recognized preparedness expert The world we live in is an unstable one. From natural disasters such as earthquakes, hurricanes, and floods of biblical proportions to concerns about the economic downturn and government shutdown, the hits just keep on coming. At the same time, the power grid is incredibly fragile. Our dependency on widely distributed long distance systems for power, medicine, and food makes our society susceptible to attack, whether by foreign or domestic enemies, or the weather. No matter the concern, the solutions are the same. Scott Hunt, the owner of Practical Preppers, and an experienced engineer, homesteader, and pastor, offers readers a complete and detailed guide to sustainable living. With The Practical Preppers Complete Guide to Disaster Preparedness, anyone can learn how to:

- Secure a water source-even in an urban area
- Grow and preserve food
- Set up an alternative energy supply -
