Resin jewellery first started in the US around 6 years ago and has now become one of the fastest-growing trends in jewellery making. The technique is very simple - you simply mix the two-part resin together and pour into a bezel or pendant. Rings, pendants, brooches, cufflinks, hairpins and bracelets are all easy to make and look incredibly professional when done. In this inspiring book, well-known crafter Sara Naumann shows you just how easy and quick resin jewellery is to make, using minimal equipment and readily available products, and provides over 50 fabulous projects for you to try. You can add numerous items to the resin to achieve different effects. You can place paper in the bezels to act as a background to the resin - such as old book paper, map paper, scrapbook paper and photographs. Paper can also be painted, stencilled, or layered with washi tape before being coated with resin. Try sheet music for a vintage vibe, or origami papers for a fresh, contemporary look. In addition, you can also immerse various items in the resin before it

Jewelry makers interested in resin can find poured pendant projects anywhere. Theresa D. Abelew, former Assistant Editor of Art Jewelry magazine, offers jewelry makers — even beginners — new ways to use this versatile material in unique, striking jewelry. The Absolute Beginners Guide: Jewelry Making with Resin offers 20 projects that go beyond simple pouring. Jewelry makers will learn to fold and form resin into lightweight and dramatic cuffs ... layer colored resin into dimensional pendants ... embed bits of wood, metal, or wire into unusual rings ... and much more. Each project includes clear and easy-to-follow instructions with step-by-step color photographs — perfect for beginners new to the material. The focus is on the resin elements, but instructions and suggestions are included to complete each necklace, bracelet, ring, earring, and cuff.
