Share, Retweet, Repeat on Apple Books

10. Include Social Media Share Buttons on Content: Encourage others who consume your content -- whether it's a blog post, an ebook, or a webinar -- to tweet about it. This will lead to more tweets and, thus, even more retweets. But just like you need to make it easy for others to retweet your content, you need to make it easy for them to tweet your content in the first place.

11 Guaranteed Ways to Get Others to Retweet Your Content

Leaving the prompt blank and hitting the retweet button in the prompt would share that tweet to your followers with no context from you. But apparently, the change to retweets didn't exactly ...

Twitter is returning retweets to the way they used to be ...

Only people you have allowed to follow you will be able to view them. You can see protected Tweets from an account you follow in your timeline because that account has accepted your follow request, but because they have chosen not to share their Tweets publicly, their Tweets cannot be Retweeted by you or anyone else.
