Moderate 237 of 519 found this moderate Prisoners call new prisoners "fresh fish," with one of them asking a new prisoner if he has been "taken." The film contains several sexual references, but they only occur in the first third or so of the movie. Most of these references are to rape.

Parents Guide - IMDb

A period drama set in 1940s New England, The Shawshank Redemption puts us in the (sometimes shiny) shoes of one of our two protagonists, convicted of a murder he didn't commit and sentenced to life in prison at Shawshank. We suffer as he suffers; we struggle as he struggles; until at long last his efforts to right the wrongs committed against him bear some seriously satisfying fruit.

The Shawshank Redemption Analysis | Shmoop

The Shawshank Redemption (1994) There's only been one movie adaptation of Shawshank, and considering how great it is, there probably only will be. Morgan Freeman plays Red, Tim Robbins plays Andy, and while it takes a few minor liberties with the story, they're all in keeping with King's original prose.

Rita Hayworth and the Shawshank Redemption Introduction . . .

The Shawshank Redemption was nominated for seven Academy Awards and has become one of the best-selling videos of all time. Shawshank is an emotional and cathartic exploration of the best and the worst of the human spirit. Its message of hope and perseverance in adversity captivates and inspires while teaching important moral truths.

DISCUSSION GUIDE The Shawshank Redemption

Chronicles the experiences of a formerly successful banker as a prisoner in the gloomy jailhouse of Shawshank after being found guilty of a crime he did not commit. The film portrays the man's unique way of dealing with his new, torturous life; along the way he befriends a number of fellow prisoners, most notably a wise long-term inmate named Red.

The Shawshank Redemption (1994) - IMDb

Academy Award-winner Tim Robbins (Mystic River, The Shawshank Redemption) and Derek Luke (Glory Road, Friday Night Lights) star in this suspense thriller based on a true story. Set against a country in flames and two cultures at war, Catch A Fire is the gripping account of the spark that ignited a man, inspired a revolution and united a country.

Shawshank Redemption Study Guide

#1 New York Times bestselling author Stephen King's beloved novella, Rita Hayworth and Shawshank Redemption—the basis for the Best Picture Academy Award-nominee The Shawshank Redemption—about an unjustly imprisoned convict who seeks a strangely satisfying revenge, is now available for the first time as a standalone book. A mesmerizing tale of unjust imprisonment and offbeat escape, Rita Hayworth and Shawshank Redemption is one of Stephen King's most beloved and iconic stories, and it helped make Castle Rock a place readers would return to over and over again. Suspenseful, mysterious, and heart-wrenching, this iconic King novella, populated by a cast of unforgettable characters, is about a fiercely compelling convict named Andy Dufresne who is seeking his ultimate revenge. Originally published in 1982 in the collection Different Seasons (alongside "The Body," "Art Pupil," and "The Breathing Method"), it was made into the film The Shawshank Redemption in 1994. Starring Morgan Freeman and Tim Robbins, this modern classic was nominated for seven Academy Awards, including Best Picture, and is among the most beloved films of all time.

Four novellas from Stephen King bound together by the changing of seasons, each taking on the theme of a journey with strikingly different tones and characters. This gripping collection begins with "Rita Hayworth and the Shawshank Redemption," in which an unjustly imprisoned convict seeks a strange and startling revenge--the basis for the Best Picture Academy Award-nominee The Shawshank Redemption. Next is "Apt Pupil," the inspiration for the film of the same name about top high school student Todd Bowden and his obsession with the dark and deadly past of an older man in town. In "The Body," four rambunctious young boys plunge through the facade of a small town and come face-to-face with life, death, and intimations of their own mortality. This novella became the movie Stand By Me. Finally, a disgraced woman is determined to triumph over death in "The Breathing Method."--Provided by publisher.

"From the first morning with their odd new teacher, fifth grade is full of shocking surprises for best friends Rip and Red"--

A Confederate soldier confronts the horror of battle and the power of grace in this "poignant, haunting, and important" novel of the Civil War (The Tennessean, Nashville). A New York Times Notable Book and Winner of the William Boyd Award for Best Military Novel In November 1864, Gen. John Bell Hood's Army of Tennessee prepares to launch an assault on Union forces near Franklin, Tennessee. Dirty, exhausted, and hungry, the Confederate soldiers form a line of battle across an open field. Among them stands Pvt. Bushrod Carter, a twenty-six-year-old rifleman from Cumberland, Mississippi. Against all odds, Bushrod has survived three years of war unscathed—but his luck is about to run out. Wounded in the battle, Bushrod is taken to a makeshift hospital on a nearby plantation. There, he falls under the care of Anna Hereford, who bears her own scars from years of relentless bloodshed and tragedy. In the grisly aftermath of one of the Confederate army's most disastrous campaigns, Anna and Bushrod seek salvation and understanding in each other. Their fragile bond carries with it the hope of a life beyond the war, and the risk of a pain too devastating to endure. Written with profound empathy and meticulous attention to historical detail, The Black Flower brilliantly portrays the staggering human toll of America's bloodiest conflict. In his award-winning debut novel, "Howard Bahr casts a tale of war as powerful as any you'll ever find" (Southern Living).

There is a strange men's club in New York where all the members tell each other stories and where no-one looks older, no matter how many years have passed. One night a doctor tells the story of a young woman who gives birth to a baby in the most horrible way.

Do You Feel Like You're Missing Something? Jennie Allen, founder of If: Gathering, directs you on how to find the best way to use your spiritual gifts. What if this feeling wasn't a bad thing? It could be a longing for more of God and a catalyst to living the life that was designed before the foundations of the earth were laid. A lot of us, if we're honest, are afraid. We hold our dreams close to our chest. But our passions have a purpose—they were engineered for God's greater plan and he intends for us to use them for his glory and purposes. In Restless, Bible teacher and fellow struggler Jennie Allen explores practical ways to identify the threads of your life and how to intentionally weave them together. She explains how your gifts, passions, places, and relationships aren't random; they're deliberate and meaningful. And your suffering—it's possible it has produced the very thing you want to give back to the world. Using the story of Joseph, the dreamer, Jennie explains how his suffering, gifts, relationships—all of the threads of his life—fit into the greater story of God and how our stories can do the same. What would happen if God got bigger than your fear and insecurity, and you spent the rest of your life running without reservation after his purposes for you? You were created for more. To dive deeper into the Restless message, additional resources such as a DVD study and leader/participant guide books are available.

This New York Times bestselling novel from acclaimed author Walter Dean Myers tells the story of Steve Harmon, a teenage boy in juvenile detention and on trial. Presented as a screenplay of Steve's own imagination, and peppered with journal entries, the book shows how one single decision can change our whole lives. Monster is a multi-award-winning, provocative coming-of-age story that was the first-ever Michael L. Printz Award recipient, an ALA Best Book, a Coretta Scott King Honor selection, and a National Book Award finalist. Monster is now a major motion picture called All Rise and starring Jennifer Hudson, Kelvin Harrison, Jr., Nas, and ASAP Rocky. The late Walter Dean Myers was a National Ambassador for Young People's Literature, who was known for his commitment to realistically depicting kids from his hometown of Harlem.

This book features an in-depth analysis of the world's most popular movie, The Shawshank Redemption, delving into issues such as: the significance of race in the film, its cinematic debt to earlier genres, the gothic influences at work in the movie, and the representation of Andy's poster art as cross-gendered signifiers. In addition to exploring the film and novella from which it was adapted, this book also traces the history of the Ohio State Reformatory in Mansfield, Ohio, which served as the film's central location, and its relationship to the movie's fictional Shawshank Prison. The last chapter examines why this film has remained both a popular and critical success, inspiring diverse fan bases on the Internet and the evolution of the Shawshank Trail, fourteen of the film's actual site locations that have become a major tourist attraction in central Ohio.

The tragic tale of a Montana family ripped apart by scandal and murder: "a significant and elegant addition to the fiction of the American West" (Washington Post). In the summer of 1948, twelve-year-old David Hayden witnessed and experienced a series of cataclysmic events that would forever change the way he saw his family. The Haydens had been pillars of their small Montana town: David's father was the town sheriff; his uncle Frank was a war hero and respected doctor. But the family's solid foundation was suddenly shattered by a bombshell revelation. The Hayden's Sioux housekeeper, Marie Little Soldier, tells them that Frank has been sexually assaulting his female Indian patients for years—and that she herself was his latest victim. As the tragic fallout unravels around David, he learns that truth is not what one believes it to be, that power is abused, and that sometimes one has to choose between loyalty and justice. Winner of the Milkweed National Fiction Prize

The call to make the world a better place is inherent in the Christian belief and practice. But why have efforts to change the world by Christians so often failed or gone tragically awry? And how might Christians in the 21st century live in ways that have integrity with their traditions and are more truly transformative? In To Change the World, James Davison Hunter offers persuasive--and provocative--answers to these questions. Hunter begins with a penetrating appraisal of the most popular models of world-changing among Christians today, highlighting the ways they are inherently flawed and therefore incapable of generating the change to which they aspire. Because change implies power, all Christian eventually embrace strategies of political engagement. Hunter offers a trenchant critique of the political theologies of the Christian Right and Left and the Neo-Anabaptists, taking on many respected leaders, from Charles Colson to Jim Wallis and Stanley Hauerwas. Hunter argues that all too often these political theologies worsen the very problems they are designed to solve. What is really needed is a different paradigm of Christian engagement with the world, one that Hunter calls "faithful presence"--an ideal of Christian practice that is not only individual but institutional; a model that plays out not only in all relationships but in our work and all spheres of social life. He offers real-life examples, large and small, of what can be accomplished through the practice of "faithful presence." Such practices will be more fruitful, Hunter argues, more exemplary, and more deeply transfiguring than any more overtly ambitious attempts can ever be. Written with keen insight, deep faith, and profound historical grasp, To Change the World will forever change the way Christians view and talk about their role in the modern world.
