Virtually all job hunting experts agree that networking is the best way to find a great job. But most people don't have connections to the decision makers who do the hiring. Orville Pierson, a top expert in job hunting, tells you how to succeed by effectively using your current circle of contacts. He cuts through the myths and misunderstanding to show you how millions of job hunters have networked their way to great new jobs. Highly Effective Networking empowers you to: Use a small network to reach dozens of insiders and decision makers; get the right message to the right people; create a project plan to organize your networking efforts; speak effectively and comfortably with our networking contacts; and talk to decision makers before the job opening is announced.

expert and author of The 20-Minute Networking Meeting, Marcia Ballinger, spells out exactly what it takes to win your executive interview. In this book, Marcia reveals: - What really goes on during an executive interview-- from the other side of the desk- How to prepare for different kinds of interviews, and position yourself for success- The very best ways to answer the most common interview questions This practical book gives you the strategy and tools for every interview, and is a must-have for any executive job candidate.

A job-search manual that gives career seekers a systematic, tech-savvy formula to efficiently and effectively target potential employers and secure the essential first interview. The 2-Hour Job Search shows job-seekers how to work smarter (and faster) to secure first interviews. Through a prescriptive approach, Dalton explains how to wade through the Internet's sea of information and create a job-search system that relies on mainstream technology such as Excel, Google, LinkedIn, and alumni databases to create a list of target employers, contact them, and then secure an interview—with only two hours of effort. Avoiding vague tips like “leverage your contacts,” Dalton tells job-hunters exactly what to do and how to do it. This empowering book focuses on the critical middle phase of the job search and helps readers bring organization to what is all too

often an ineffectual and frustrating process.

A newly updated edition of the comprehensive guide to job interviews that has over a half million copies in print, SWEATY PALMS teaches readers everything they need to know in order to land the job of their dreams. Whether a first-time job seeker searching for that elusive entry-level position or a seasoned employee facing tougher and tougher competition in a difficult economy, SWEATY PALMS takes readers through each step of the interviewing process, from preparation to dress to negotiating an offer. Including hundreds of interview questions and sample answers, SWEATY PALMS prepares job seekers for even the wildest interviewer. H. Anthony Medley, who has interviewed countless job seekers over the years, offers readers an honest view from the other side of the desk. He draws on a wide variety of sources, from celebrities discussing how they got their jobs, to employers revealing what they look for in an ideal candidate. This new edition of SWEATY PALMS, which has been a vital tool in the job-interview market for decades, reflects cutting-edge changes to interviewing, including the pros and cons of e-mail resumes, thank-you notes, proper dress in the corporate-casual age, and the unique challenges of landing a job in the 21st century.
