Check your local bookstore for quality books of various dance genres including ballet, jazz, tap and modern. From technical ballet dictionaries and picture books to biographies of famous choreographers, dancers of all ages will be thrilled with the chance to broaden their horizons with a great dance book.

Highly innovative and unique in its approach, *The Dancer's Gift: Sociology in Life* introduces readers to over 200 sociological concepts, cleverly embedded within the love story of Marcel, a dance major from the Caribbean, and Samantha, a sociology student, both attending a liberal arts college their first year. Within each chapter, readers are introduced to a new phase of Samantha and Marcel's relationship with a specific area of sociology serving as the backdrop for their story. Specific topics explored include the sociological perspective, culture, sex and gender, research methods, organizations, population and social change, religion, family, race and ethnicity, deviance, and stratification, social class, and economy. Marcel and Samantha's love story crosses social, cultural, and geographical boundaries, providing readers the opportunity to explore a plethora of sociological concepts and relatable challenges for young adults. The new edition features standard sociological concepts, definitions, and themes. Skillfully written and engaging, *The Dancer's Gift* combines the powerful medium of storytelling with fictional examples of real-world scenarios that bring sociological concepts to life. The text is ideal for introductory courses in sociology. Tracie Gardner, Esq., is a teaching assistant professor at East Carolina University. She holds a J.D. from Southwestern Law School and a master's degree in sociology from East Carolina University. David Knox, Ph.D., is a professor of sociology at East Carolina University. He is the author/co-author of 5 textbooks and 125 articles. Meredith Kennedy, DVM, is a veterinarian with a master's degree in vocal performance and the author of *The Red Jacket* and *Broken Glass Cake*. Marty Zusman, Ph.D., is professor emeritus in the Department of Sociology and Anthropology at Indiana University Northwest.

A stunning celebration of movement and dance in hundreds of breathtaking photographs by the creative team behind NYC Dance Project. *The Art of Movement* is an exquisite collection of photographs by well-known dance photographers Ken Browar and Deborah Ory that capture the movement, flow, energy, and grace of many of the most accomplished dancers in the world. Featured are more than 70 dancers from companies including American Ballet Theatre, New York City Ballet, Alvin Ailey American Dance Theater,

File Type PDF The Dancers Gift

Martha Graham Dance Company, Boston Ballet, Royal Danish Ballet, The Royal Ballet, Abraham in Motion, and many more. Accompanying the photographs are intimate and inspiring words from the dancers, as well as from choreographers and artistic directors on what dance means to them.

Are you cursed with two left feet? Consider this kit your revelation. Set your feet a-tapping with a collection of original dance moves inspired by Jesus and the likes of Moses and John the Baptist. This slyly irreverent kit includes a 3" dancing Jesus figurine on a suction cup base that you can attach to your dashboard, your desk, or virtually anywhere that you could use some peace and tranquility- or to just bring a much-needed smile to your face. The illustrated mini book includes 12 dance moves outlined with how-to instructions, along with the inspiration for each dance derived from Jesus's life and teachings. Kit also includes an illustrated conga line backdrop to display with your figurine.

Tells the story of Samantha and Marcel, college students whose relationship is used as a means of familiarizing readers with sociological concepts.

****Winner of the Moonbeam Children's Book Award Silver Medal for Non-Fiction —Picture Book**** This beautifully illustrated children's book tells the story of a little Cambodian girl forced to leave her old world behind and find a new home in America. In clear but simple language and vivid illustrations, this Cambodian children's story communicates a sense of the joy, sadness, injustice and triumph that lives on in young Cambodian Americans. It shows that it is possible to overcome great hardship, and that a single decision can do much to heal one's self and others. The Cambodian Dancer is the true story of a Cambodian refugee—a dancer and teacher—who built a life in the US after fleeing the Khmer Rouge. She became a counselor to other Cambodian refugees and created a school of dance for children. Her gift of hope was to teach children

in the Cambodian community the traditional dances of Cambodia so that young people growing up far away from the land of their ancestors would know about their culture.

Ballet dancers have the strongest, most beautiful, probably the most envied bodies in the world. How do they stay slender and willowy while maintaining the extraordinary energy it takes to perform night after night? Can a nondancer or an amateur attain a dancer's figure and a dancer's vitality? And keep it? Here, in *The Dancers' Body Book*, the legendary ballerina Allegra Kent discloses the health, weight-watching, and relaxation secrets of some of the world's greatest ballet dancers -- from Suzanne Farrell and Fernando Bujones to Darci Kistler and Madame Alexandra Danilova. Combining them with two well-balanced diets -- one to lose weight by and one to live by -- and an exercise regimen that can be tailored to the individual, she provides a fabulous fitness program for everyone who longs to be slimmer, healthier, and more energetic. Fourteen varied menus incorporate delicious recipes from the dancers themselves (such as Jacques D'Amboise's *Wonderful Dinner Salad* and Dierdre Carberry's *Almond Meringue Kisses*), along with calorie guides and advice on how to create additional menus using your own favorite dishes. Helpful discussions on sports and exercise systems -- ranging from jogging and swimming to the sophisticated "Pilates" workout -- are also included, and in a special chapter entitled "A Healthy Outlook," the dancers talk candidly on such issues as smoking, anorexia, vitamins, doctors, massage, junk foods, fad diets, and injuries. Dancers take meticulous care of all their equipment because training and performance depend on it. Of course, the most essential piece of equipment, the body, needs the most care of all, and that is what this book is about: how to take care of the world's greatest machine. Allegra Kent joined the New York City Ballet at the age of fifteen and was a principal dancer with the company for thirty years, during which time she created a number of starring roles in ballets by Balanchine and Robbins. The mother of two daughters and a son, she is also the author of *Allegra Kent's Water Beauty Book*.

A "winning and expansive novel" that "describes one woman's intimacies with lovers, strangers, culture and ideas, and family and friends" (Chris Kraus, author of *I Love Dick*). In the midst of the Occupy Wall Street movement, a writer and academic from New York named Barbara Andersen begins spamming people indiscriminately with ukulele covers of sentimental songs. A series of inappropriate intimacies ensues, including an erotically charged correspondence and then collaboration with an extraordinarily gifted and troubled musician living in Germany. "All this might seem like so much postmodern hot air, but the narrator has an exceptionally graceful page presence: loony and profound, vulnerable and ingenuous, Barbara acts to unify the book's central concerns, giving its intellectual flights of fancy a palpable human pulse. Maybe nothing in this book is exactly what it seems. But the sadness, at least, is real" (Publishers Weekly, starred review).
