This monumental work of investigative journalism reveals the Kennedy White House as never before. With its meticulously documented & compulsively readable portrait of John F. Kennedy as a man whose reckless personal behavior imperiled his presidency, The Dark Side of Camelot sparked a firestorm of controversy upon its initial publication - becoming a runaway bestseller & one of the year's most talked-about books. Now in paperback, this watershed work will continue to provoke public discussion as the debate intensifies over what constitutes proper personal & political behavior on the part of our nation's leaders.

Jack Kennedy had it all. And he used it all - his father's fortune, and his own beauty, wit and power with a heedless, reckless daring. In this work, investigative journalist Seymour Hersh, shows us a John F. Kennedy insulated from the normal consequences of behaviour long before he entered the White House. The Kennedys could do exactly what they wanted, and could evade any charge brought against them - the Kennedys wrote their own moral code. And Kennedys trusted only Kennedys. Jack appointed his brother Bobby keeper of the secrets the family debt to organized crime, the real state of Jack's health, the sources of his election victories, the plots to murder foreign leaders, and the President's intentions in Vietnam.

An investigative chronicle examines the dark side of the Kennedy family legacy from its earliest beginnings to the 1990s

An investigative chronicle examines the dark side of the Kennedy family legacy from its earliest beginnings to the 1900s

Welcome to the dark side of Camelot. Gwynna is just a girl who is forced to run when her village is attacked and burns to the ground. To her horror, she is discovered in the wood. But it is Myrddin the bard who has found her, a traveler and spinner of tales. He agrees to protect Gwynna if she will agree to be bound in service to him. Gwynna is frightened but intrigued-and says yes-for this Myrddin serves the young, rough, and powerful Arthur. In the course of their travels, Myrddin transforms Gwynna into the mysterious Lady of the Lake, a boy warrior, and a spy. It is part of a plot to transform Arthur from the leader of (cont)

When a rescue goes awry and results in the death of something precious, the devastated Guinevere, impersonated by a changeling witch, returns to Camelot to find the greatest threat yet--the real Guinevere's younger sister.

Return to a time of legend—the days of Guinevere and Arthur and the glory that was to become Camelot On the night of Guinevere’s birth, a wise woman declares a prophecy of doom for the child: She will be gwenhwyfar, the white shadow, destined to betray her king, and be herself betrayed. Years pass, and Guinevere becomes a great beauty, riding free across Northern Wales on her beloved horse. She is entranced by the tales of the valorous Arthur, a courageous warrior who seems to Guinevere no mere man, but a legend. Then she finds herself betrothed to that same famous king, a hero who commands her willing devotion. Just as his knights and all his subjects, she falls under Arthur’s spell. At the side of King Arthur, Guinevere reigns strong and true. Yet she soon learns how the dark prophecy will reveal itself. She is unable to conceive. Arthur’s only true heir is Mordred, offspring of a cursed encounter with the witch Morgause. Now Guinevere must make a fateful choice: She decides to raise Mordred, teaching him to be a ruler and to honor Camelot. She will love him like a mother. Mordred will be her greatest joy—and the key to her ultimate downfall. “Guinevere comes alive—a strong, resourceful, and compassionate woman, accessible to modern folk. . . . The Arthur-Guinevere-Lancelot triangle comes alive as well—believable, poignant, and bearing the seeds of tragedy.”—Katherine Kurtz

Presents a portrait of Senator Robert Kennedy's son that discusses his reputation as a crusading environmental activist and lawyer, his drug and sex addictions, and the tragic suicide of his second wife.

This classic New York Times bestseller is an illuminating portrait of JFK—from his thrilling rise to his tragic fall—by two of the men who knew him best. As a politician, John Fitzgerald Kennedy crafted a persona that fascinated and inspired millions—and left an outsize legacy in the wake of his murder on November 22, 1963. But only a select few were privy to the complicated man behind the Camelot image. Two such confidants were Kenneth P. O'Donnell, Kennedy's top political aide, and David F. Powers, a special assistant in the White House. They were among the president's closest friends, part of an exclusive inner circle that came to be known as the "Irish Mafia." In Johnny, We Hardy Knew Ye, O'Donnell and Powers share memories of Kennedy, his extraordinary political career, and his iconic family—memories that could come only from intimate access to the man himself. As they recount the full scope of Kennedy's journey—from his charismatic first campaign for Congress to his rapid rise to national standing, culminating on that haunting day in Dallas—O'Donnell and Powers lay bare the inner workings of a leader who is cherished and mourned to this day, in a memoir that spent over five months on the New York Times bestseller list.

WATCH THE WORLD PREMIERE OF THE KENNEDYS - AFTER CAMELOT MINISERIES ON REELZCHANNEL, SUNDAY APRIL 2. From the New York Times bestselling author of Jackie, Ethel, Joan - Women of Camelot, comes an engrossing and revealing portrait of the next generation of Kennedys. For more than half a century, Americans have been captivated by the Kennedys - their joy and heartbreak, tragedy and triumph, the dark side and the remarkable achievements. In this ambitious and sweeping account, J. Randy Taraborrelli continues the family chronicle begun with his bestselling Jackie, Ethel, Joan: Women of Camelot and provides a behind-the-scenes look at the years "after Camelot." He describes the challenges Bobby's children faced as they grew into adulthood; Eunice and Sargent Shriver's remarkable philanthropic work; the sudden death of JFK JR; and the stoicism and grace of his sister Caroline. He also brings into clear focus the complex and intriguing story of Ted Kennedy and shows how he influenced the sensibilities of the next generation and challenged them to uphold the Kennedy name. Based on extensive research, including hundreds of exclusive interviews, After Camelot captures the wealth, glamour, and fortitude for which the Kennedys are so well known. With this book, Taraborrelli takes readers on an epic journey as he unfolds the ongoing saga of the nation's most famous -- and controversial -- family.
