### The Leadership Experience / Edition 7 by Richard L. Daft ...

There are two persistent myths about leadership: that only a few people have the innate personality characteristics to become leaders, and that leadership is a position. But leadership is an observable set of skills and abilities that anyone can learn, given the motivation, desire, practice, feedback, role models, and coaching.

MANAGEMENT, 12E includes several innovative pedagogical features to help students understand their management capabilities and learn what it's like to manage in an organization today. Each of the 19 chapters begins with an opening questionnaire that engages the reader's interest, directly connects to the topic of the chapter, and enables students to see how they respond to situations and challenges that real-life managers typically face. A New Manager Self-Test in each chapter provides students with further insight into how they would function in the real world of management. The Remember This bullet-point summaries at the end of each major chapter section give students a snapshot of the key points and concepts covered in that section. The end-of-chapter questions have been carefully revised to encourage critical thinking and application of chapter concepts, and Small Group Breakout exercises give students the opportunity to apply concepts while building teamwork skills. Ethical dilemmas, all-new end-of-chapter cases, and a fully updated set of On the Job video cases help students sharpen their diagnostic skills for management problem solving. The chapter sequence in MANAGEMENT is organized around the management functions of planning, organizing, leading, and controlling. These four functions effectively encompass management research and the characteristics of the manager's job. The most trusted source of leadership wisdom, updated to address today's realities The Leadership Challenge is the gold-standard manual for effective leadership, grounded in research and written by the premier authorities in the field. With deep insight into the complex interpersonal dynamics of the workplace, this book positions leadership both as a skill to be learned, and as a relationship that must be nurtured to reach its full potential. This new sixth edition has been revised to address current challenges, and includes more international examples and a laser focus on business issues; you'll learn how extraordinary leaders accomplish extraordinary things, and how to develop your leadership skills and style to deliver quality results every time. Engaging stories delve into the fundamental roles that great leaders fulfill, and simple frameworks provide a primer for those who seek continuous improvement; by internalizing key insights and putting concepts into action, you'll become a more effective, more impactful leader. A good leader gets things done; a great leader aspires, inspires, and achieves more. This book highlights the differences between good and great, and shows you how to bridge the chasm between getting things done and making things happen. Gain deep insight into leadership's critical role in organizational health Navigate the shift toward team-oriented work relationships Motivate and inspire to break through the pervasive new cynicism Leverage the electronic global village to deliver better results Business is evolving at an increasingly rapid rate, and leaders must keep pace with the changes or risk stagnation. People work differently, are motivated differently, and have different expectations today—business as usual is quickly losing its effectiveness. The Leadership Challenge helps you stay current, relevant, and effective in the modern workplace.

Pierce and Newstrom's Leaders and the Leadership Process, 3/e is a collection of readings, self-assessments, and applications on leadership intended to give students a feel for the breadth and richness of this study. This experiential paperback book provides students with a sense of the complexity associated with organizational leadership as well as an understanding of the pieces that serve to define leadership. The text encourages students to engage in dialogue and to think critically about the leaders and the leadership process. Self-assessments, which begin most chapters of the book, encourage students to look at their own personal leadership style. A capstone section of Applications, in the form of case studies and experiential exercises, asks students to move beyond theory to the practice of leadership. The authors use this combination of readings, self-assessments, and applications to create a "leadership mosaic" – one that encourages students to examine the concepts, propositions, perspectives, and theories one at a time as it builds towards the students ultimate unique leadership mosaic.
