UCBComedy
The Upright Citizens Brigade is an improvisational and sketch comedy group that emerged from Chicago's ImprovOlympic in 1990. The original incarnation of the group consisted of Matt Besser, Amy Poehler, Ian Roberts, Matt Walsh, Adam McKay, Rick Roman, Horatio Sanz and Drew Franklin. Other early members included Neil Flynn, Armando Diaz, Ali Farahnakian and Rich Fulcher. In 2013, Besser, Roberts and Walsh wrote The Upright Citizens Brigade Comedy Improvisation Manual.

Upright Citizens Brigade - Wikipedia
They're the Upright Citizens Brigade (aka Amy Poehler, Matt Walsh, Ian Roberts and Matt Besser), bringing chaos to the world via improv-driven sketches and hidden-camera stunts. Full Episodes 11 videos Food Season 3, EP 5 Fitness fascists search for hidden fatties, and a hungry subway conductor holds a train hostage.

The Upright Citizens Brigade Comedy Improvisation Manual is a comprehensive guide to the UCB style of long form comedy improvisation. Written by UCB founding members Matt Besser, Ian Roberts, and Matt Walsh, the manual covers everything from the basics of two person scene work (with a heavy emphasis on finding "the game" of the scene), to the complexities of working within an ensemble to perform long form structures, such as "The Harold" and "The Movie". A practical "how to" book, the guide provides exercises throughout to help the reader master each new concept and technique introduced. While the manual is written to be understood by beginners with no previous exposure to improvisational comedy, experienced improvisors will find it to be an excellent resource for honing their skills, clarifying concepts, and generally taking their work to a higher level.

A sweeping yet intimate--and often hilarious--history of a uniquely American art form that has never been more popular

Furnishes a comprehensive guide to improvisational techniques as used in stand-up comedy

"From Funny Or Die senior writer and former artistic director at the Upright Citizens Brigade Theatre comes a collection of absurdist, hilarious stories and essays on relationships, technology, and contemporary society. A brave archaeologist journeys into a suburban man cave. Leif Eriksson writes Christopher Columbus a long overdue letter. A corporate flack admonishes a room of marijuana sales people to get their revenues up. A young man's penis turns into a lobster. Walt Whitman even teaches a spin class. With humor, originality, and narrative guile, Nate Dern examines man buns, dating apps, Wi-Fi terms and conditions, juicing crazes, vegetarianism, and so much more, all while plumbing his own life and a series of fantastical scenarios for a truth that's both revelatory and beautiful."--Jacket.

THE NATIONAL BESTSELLER "Hughley uses his trademark humor to address the stark divisions in society that stem from centuries of white supremacy." —People Surrender, white people! After 400 years of white supremacy in America, a reckoning is here. These are the terms of peace–and they are unconditional. Hope you brought a sense of humor, because this is gonna sting. After centuries of oppressing others, white people are in for a surprise: You're about to be a minority yourself. Yes, the face of America is getting a lot browner—and a reckoning is coming. Black and brown folk are not going to take a back seat anymore. It's time to surrender your unjust privileges and sue for peace while the getting's still good. Lucky for America, D.L. Hughley has a plan. On the eve of America becoming a majority-minority nation, Hughley warns, the only way for America to move forward peacefully is if Whites face their history, put aside all their visions of superiority, and open up their institutions so they benefit everyone in this nation. But we can still have fun with this right? Surrender, White People! hilariously holds America account for its wrongs and offers D.L.'s satirical terms for reparations and reconciliation. But it's not all bad news, white folks. The upside is that if you put D.L.'s plan into effect, you can FINALLY get black people to stop talking about oppression, discrimination, and their place in America. Now, that's something we ALL can get behind.

Containing recollections from more than 80 of the comedic giant's closest friends and colleagues, this absorbing biography explores Del Close's old haunts, his sensational past, and the reality behind the tales he told so often. From traveling with a carnival and hanging out with a pre-Scientology L. Ron Hubbard to riding with the Merry Pranksters and using a coven of witches to help him kick a lifelong cocaine habit, Close led an incredibly rich life--one whose absurdity proved great fodder for improv theater. Astute and compassionate, Close influenced improvisational theater's greatest comedic talents of the last 50 years--Nichols and May, Lenny Bruce, Bill Murray, Chris Farley, Tina Fey--and coached the witty masterminds behind such comedic institutions as Second City, "Saturday Night Live," Groundlings, and the Upright Citizen's Brigade.

Part road-trip comedy and part social science experiment, a scientist and a journalist travel the globe to discover the secret behind what makes things funny, questioning countless experts, including Louis C.K., along the way.

From Kliph Nesteroff, "the human encyclopedia of comedy" (VICE), comes the important and underappreciated story of Native Americans and comedy. It was one of the most reliable jokes in Charlie Hill's stand-up routine: "My people are from Wisconsin. We used to be from New York. We had a little real estate problem." In We Had a Little Real Estate Problem, acclaimed comedy historian Kliph Nesteroff focuses on one of comedy's most significant and little-known stories: how, despite having been denied representation in the entertainment industry, Native Americans have influenced and advanced the art form. The account begins in the late 1880s, when Native Americans were forced to tour in wild west shows as an alternative to prison. (One modern comedian said it was as "if a Guantanamo detainee suddenly had to appear on X-Factor.") This is followed by a detailed look at the life and work of seminal figures such as Cherokee humorist Will Rogers and Hill, who in the 1970s was the first Native American comedian to appear The Tonight Show. Also profiled are several contemporary comedians, including Jonny Roberts, a social worker from the Red Lake Nation who drives five hours to the closest comedy club to pursue his stand-up dreams; Kiowa-Apache comic Adrianne Chalepah, who formed the touring group the Native Ladies of Comedy; and the 1491s, a sketch troupe whose satire is smashing stereotypes to critical acclaim. As Ryan Red Corn, the Osage member of the 1491s, says: "The American narrative dictates that Indians are supposed to be sad. It's not really true and it's not indicative of the community experience itself...Laughter and joy is very much a part of Native culture." Featuring dozens of original interviews and the exhaustive research that is Nesteroff's trademark, We Had a Little Real Estate Problem is a powerful tribute to a neglected legacy.

A comedian and Moth veteran lays out useful tips and tricks for maximizing the impact of your stories—so you can nail it every time Do you ever wish you could tell a story that leaves others spellbound? Comedian, Upright Citizens Brigade storytelling program founder, and Moth champion Margot Leitman will show you how in this practical guide to storytelling.
