Chinua Achebe is Africa's most prominent writer, the author of Things Fall Apart, the best known--and best selling--novel ever to come out of Africa. His fiction and poetry burn with a passionate commitment to political justice, bringing to life not only Africa's troubled encounters with Europe but also the dark side of contemporary African political life. Now, in Home and Exile, Achebe reveals the man behind his powerful work. Here is an extended exploration of the European impact on African culture, viewed through the most vivid experience available to the author--his own life. It is an extended snapshot of a major writer's childhood, illuminating his roots as an artist. Achebe discusses his English education and the relationship between colonial writers and the European literary tradition. He argues that if colonial writers try to imitate and, indeed, go one better than the Empire, they run the danger of undervaluing their homeland and their own people. Achebe contends that to redress the inequities of global oppression, writers must focus on where they come from, insisting that their value systems are as legitimate as any other. Stories are a real source of power in the world, he concludes, and to imitate the literature of another culture is to give that power away. Home and Exile is a moving account of an exceptional life. Achebe reveals the inner workings of the human conscience through the predicament of Africa and his own intellectual life. It is a story of the triumph of mind, told in the words of one of this century's most gifted writers.

From one of the greatest writers of the modern era, an intimate and essential collection of personal essays on home, identity, and colonialism Chinua Achebe's characteristically eloquent and nuanced voice is everywhere present in these seventeen beautifully written pieces. From a vivid portrait of growing up in colonial Nigeria to considerations on the African-American Diaspora, from a glimpse into his extraordinary family life and his thoughts on the potent symbolism of President Obama's elections![i](#)this charmingly personal, intellectually disciplined, and steadfastly wise collection is an indispensable addition to the remarkable Achebe oeuvre.

From the renowned author of The African Trilogy, a political satire about an unnamed African country navigating a path between violence and corruption As Minister for Culture, former school teacher M. A. Nanga is a man of the people, as cynical as he is charming, and a roguish opportunist. When Odili, an idealistic young teacher, visits his former instructor at the ministry, the division between them is vast. But in the eat-and-let-eat atmosphere, Odili's idealism soon collides with his lusts![i](#)and the two men's personal and political tauntings threaten to send their country into chaos. When Odili launches a vicious campaign against his former mentor for the same seat in an election, their mutual animosity drives the country to revolution. Published, prophetically, just days before Nigeria's first attempted coup in 1966, A Man of the People is an essential part of Achebe's body of work.

Set in the Ibo heartland of eastern Nigeria, one of Africa's best-known writers describes the conflict between old and new in its most poignant aspect--the personal struggle between father and son.
