"Bruce Lee was known as an amazing martial artist, but he was also a profound thinker. He left behind seven volumes of writing on everything from quantum physics to philosophy." — John Blake, CNN
Named one of TIME magazine's "100 Greatest Men of the Century," Bruce Lee's impact and influence has only grown since his untimely death in 1973. Part of the seven-volume Bruce Lee Library, this installment of the famed martial artist's private notebooks allows his legions of fans to learn more about the man whose groundbreaking action films and martial arts training methods sparked a worldwide interest in the Asian martial arts. Bruce Lee Artist of Life explores the development of Lee's thoughts about Gung Fu (Kung Fu), philosophy, psychology, poetry, Jeet Kune Do, acting, and self-knowledge. Edited by John Little, a leading authority on Lee's life and work, the book includes a selection of letters that eloquently demonstrate how Lee incorporated his thought into actions and provided advice to others. Although Lee rose to stardom through his physical prowess and practice of jeet kune do—the system of fighting he founded—Lee was also a voracious and engaged reader who wrote extensively, synthesizing Eastern and Western thought into a unique personal philosophy of self-discovery. Martial arts practitioners and fans alike eagerly anticipate each new volume of the Library and its trove of rare letters, essays, and poems for the light it sheds on this legendary figure. This book is part of the Bruce Lee Library, which also features: Bruce Lee: Striking Thoughts Bruce Lee: The Celebrated Life of the Golden Dragon Bruce Lee: The Tao of Gung Fu Bruce Lee: Letters of the Dragon Bruce Lee: The Art of Expressing the Human Body Bruce Lee: Jeet Kune Do

" The first noteworthy treatment of its subject—and a definitive one at that...Fascinating narrative threads proliferate " (The New York Times Book Review). The most authoritative biography—featuring dozens of rarely seen photographs—of film legend Bruce Lee, who made martial arts a global phenomenon, bridged the divide between Eastern and Western cultures, and smashed long-held stereotypes of Asians and Asian-Americans. Forty-five years after Bruce Lee 's sudden death at age thirty-two, journalist and bestselling author Matthew Polly has written the definitive account of Lee 's life. It 's also one of the only accounts; incredibly, there has never been an authoritative biography of Lee. Following a decade of research that included conducting more than one hundred interviews with Lee 's family, friends, business associates, and even the actress in whose bed Lee died, Polly has constructed a complex, humane portrait of the icon. Polly explores Lee 's early years as a child star in Hong Kong cinema; his actor father 's struggles with opium addiction and how that turned Bruce into a troublemaking teenager who was kicked out of high school and eventually sent to America to shape up; his beginnings as a martial arts teacher, eventually becoming personal instructor to movie stars like James Coburn and Steve McQueen; his struggles as an Asian-American actor in Hollywood and frustration seeing role after role he auditioned for go to a white actors in eye makeup; his eventual triumph as a leading man; his challenges juggling a sky-rocketing career with his duties as a father and husband; and his shocking end that to this day is still shrouded in mystery. Polly breaks down the myths surrounding Bruce Lee and argues that, contrary to popular belief, he was an ambitious actor who was obsessed with the martial arts—not a kung-fu guru who just so happened to make a couple of movies. This is an honest, revealing look at an impressive yet imperfect man whose personal story was even more entertaining and inspiring than any fictional role he played onscreen.

'This belting read pulls off the nifty trick of making the kung fu legend's spiritual and combat ideas accessible'
Maxim 'Truly gets under the skin of this iconic figure'
Film Review
In the 1970s Bruce Lee emerged as the world's greatest fighting star - an accolade he has kept ever since. He battled to succeed in America in spite of the racial prejudice that denied him a starring role, eventually making films in Hong Kong that turned him into a star - the highest-paid movie star of his day. His controversial death, at the age of thirty-two when he was at the height of his powers, has given him a James-Dean style enduring appeal. In Bruce Lee - Fighting Spirit, Bruce Thomas has written a complete account not only of Lee's life and death, but of the fighting philosophy he developed (jeet kune do) which made him the greatest exponent of martial arts in modern times. In this updated edition he reassesses Lee's skills and examines the enduring impact of his legacy - on action films and martial arts today. As an icon Bruce Lee's popularity continues to grow and this book is a fitting tribute to an extraordinary man whose achievements have never been surpassed. 'An endlessly stimulating account of Lee's life and times'

Draws on interviews to break the myths surrounding Bruce Lee's life and discover the man who struggled to reconcile Hollywood's preoccupations with his Zen monastery discipline

Bruce Lee 's daughter illuminates her father 's most powerful life philosophies—demonstrating how martial arts are a perfect metaphor for personal growth, and how we can practice those teachings every day. "Empty your mind; be formless, shapeless like water." Bruce Lee is a cultural icon, renowned the world over for his martial arts and film legacy. But Lee was also a deeply philosophical thinker, learning at an early age that martial arts are more than just an exercise in physical discipline—they are an apt metaphor for living a fully realized life. Now, in Be Water, My Friend, Lee 's daughter Shannon shares the concepts at the core of his philosophies, showing how they can serve as tools of personal growth and self-actualization. Each chapter brings a lesson from Bruce Lee 's teachings, expanding on the foundation of his iconic " be water " philosophy. Over the course of the book, we discover how being like water allows us to embody fluidity and naturalness in life, bringing us closer to our essential flowing nature and our ability to be powerful, self-expressed, and free. Through previously untold stories from her father 's life and from her own journey in embodying these lessons, Shannon presents these philosophies in tangible, accessible ways. With Bruce Lee 's words as a guide, she encourages readers to pursue their essential selves and apply these ideas and practices to their everyday lives—whether in learning new things, overcoming obstacles, or ultimately finding their true path. Be Water, My Friend is an inspirational invitation to us all, a gentle call to action to consider our lives with new eyes. It is also a testament to how one man's exploration and determination transcended time and place to ignite our imaginations—and to inspire many around the world to transform their lives.

Part of the critically acclaimed Little People, BIG DREAMS series, discover the life of Bruce Lee, the martial artist and Hollywood film star. Born in San Francisco but raised in Hong Kong, Bruce Lee was the child star of Hong Kong cinema. But, after getting into trouble as a teenager, his father sent him to live in America. Starring roles were hard to come by for Asian-American actors in Hollywood, but Bruce went on to act in blockbuster hits, featuring his skill as a martial artist. This inspiring book features stylish and quirky illustrations and extra facts at the back, including a biographical timeline with historical photos and a detailed profile of the great actor's life. Little People, BIG DREAMS is a best-selling series of books and educational games that explore the lives of outstanding people, from designers and artists to scientists and activists. All of them achieved incredible things, yet each began life as a child with a dream. This empowering series offers inspiring messages to children of all ages, in a range of formats. The board books are told in simple sentences, perfect for reading aloud to babies and toddlers. The hardcover versions present expanded stories for beginning readers. Boxed gift sets allow you to collect a selection of the books by theme. Paper dolls, learning cards, matching games, and other fun learning tools provide even more ways to make the lives of these role models accessible to children. Inspire the next generation of outstanding people who will change the world with Little People, BIG DREAMS!

This enduring bestseller, written over six months when Lee was bedridden with back problems, compiles philosophical aphorisms, technique explanations, and sketches by the master himself.

A collection of interviews with the martial arts master reveals his personal philosophy and thoughts on such issues as racism, success, and the challenges and triumphs of his personal and professional life

In the months leading up to his death, Bruce Lee was working on this definitive study of the Chinese martial arts—collectively known as Kung Fu or Gung Fu. This book has now been edited and is published here for the first time in its entirety. Bruce Lee totally revolutionized the practice of martial arts and brought them into the modern world—by promoting the idea that students have the right to pick and choose those techniques and training regimens which suit their own personal needs and fighting styles. He developed a new style of his own called Jeet Kune Do—combining many elements from different masters and different traditions. This was considered heretical at the time within martial arts circles, where one was expected to study with only a single master—and Lee was the first martial artist to attempt this. Today he is revered as the "father" of martial arts practice around the world—including Mixed Martial Arts. In addition to presenting the fundamental techniques, mindset and training methods of traditional Chinese martial arts, this marial art treatise explores such esoteric topics as Taoism and Zen as applied to Gung Fu, Eastern and Western fitness regimens and self-defense techniques. Also included is a Gung Fu "scrapbook" of Bruce Lee's own personal anecdotes regarding the history and traditions of the martial arts of China. After Lee's death, his manuscript was completed and edited by martial arts expert John Little in cooperation with the Bruce Lee Estate. This book features an introduction by his wife, Linda Lee Cadwell and a foreword from his close friend and student, Taky Kimura. This Bruce Lee Book is part of the Bruce Lee Library which also features: Bruce Lee: Striking Thoughts Bruce Lee: The Celebrated Life of the Golden Dragon Bruce Lee: Artist of Life Bruce Lee: Letters of the Dragon Bruce Lee: The Art of Expressing the Human Body Bruce Lee: Jeet Kune Do
