The Computer Science Illustrated project began as Ketrina Yim's Master's thesis. Long after Ketrina's graduation, the project lives on as new students with similar passion for technology and art continue to create posters and handouts to facilitate learning for their fellow computer science students. It is with great pleasure and pride that we ...

CS Illustrated: Welcome!

As a computer science student, you don't have to fully depend on the knowledge that you get from the classroom. You should focus beyond that. Given that computer science is a very wide field, the knowledge from the classroom is definitely not enough. You should strive to read the best computer science books.
