Etec Service Bulletins

Certain Evinrude® E-TEC® G2 150-300 HP outboard models, built in June or July of 2017. What is the potential problem? The nuts on the gearcase, and on the exhaust housing extension (if applicable), may become loose, allowing the gearcase assembly to detach from the outboard engine.

Recall Information | Evinrude US | Evinrude US

Welcome to the Evinrude family and we are pleased to see your interest in keeping your motor in top shape. Unlike most bulletins for cars, the bulletins are proprietary - and that applies to a majority of outboard motors. Your dealer technician is the one who can check the model and serial numbers to see if any apply to your engine.
