European Founders At Work

In European Founders at Work, several of the top European startup founders are interviewed to explain their respective paths to building a successful company. It builds on the same format as the original Founders at Work, but showcases the differences between building a successful company in Europe versus the U.S.

European Founders at Work: Santos, Pedro Gairifo ...

European Founders at Work is a very interesting book. It is the perfect complement to Founders at Work, particularly for the European dimension. One comment though, I noticed 8 UK projects out of a little more than 20 and these 20 are mostly Software or Internet. More diversity may have been great.

European Founders at Work by Pedro Gairifo Santos

In European Founders at Work, several of the top European startup founders and venture capitalists are interviewed to explain their respective paths to building a successful company. It takes a similar approach to Venture Capitalists at Work and other books in Apress' elite At Work series but with a focus on the differences between building a successful company in Europe versus the U.S.

European Founders at Work is a new book which delves into the experiences of some of Europe's most successful Internet entrepreneurs.

New Book Looks at European Founders at Work - The Next Web

The history of Europe concerns itself with the discovery and collection, the study, organization and presentation and the interpretation of past events and affairs of the people of Europe since the beginning of written records. During the Neolithic era and the time of the Indo-European migrations Europe saw human inflows from east and southeast and subsequent important cultural and material ...

History of Europe - Wikipedia

Earlier this month, La Famiglia, a Berlin-based VC firm that invests in seed-stage European B2B tech startups, disclosed that it raised a second fund totaling €50 million, up from its debut fund ...
