'Faith vs. Fact:' why religion and science are mutually ...

ISBN. 978-0-670-02653-1. Faith Versus Fact: Why Science and Religion Are Incompatible is a 2015 book by the biologist Jerry Coyne concerning the relationship between science and religion. Coyne argues that religion and science are incompatible, by surveying the history of science and stating that both religion and science make claims about the universe, yet only science is open to the fact that it may be wrong.

Faith Versus Fact - Wikipedia

"Historians agree the science versus religion story is a nineteenth-century fabrication" (26), which perpetuates the faith vs. science myth. Christianity: The Garden of Science Rather than warring with science, "Christian theology was the garden out of which modern science grew because it presented a world with distinct form, complexity, and design" (28), which led to experimentation with observable reality.

Where To Download Faith Versus Fact Why Science And Religion Are Incompatible

Science is about fact alone. Faith, however, is the basis for ethics. Faith tells us that humans have value far above fact. Faith explains that there is something greater than knowledge, and the search for knowledge should not have free rein and be allowed to damage the very thing it is studying.

Faith vs. science. Is there a contradiction between faith

...

A main difference between science and religion (or for that matter, any kind of believe) is that religion claims to have the answers, while science aims to ask the right question (or maybe any question at all, no matter how trivial or outrageous).

Books by Jerry Coyne

Actually, Faith vs. Fact serves as a splendid specimen of scientism. Mr. Coyne disparages not only religion but also other human ways of engaging with reality.

Book by Biologist Jerry Coyne Goes Too Far Denouncing ...

You feel strongly that science and religion are incompatible, you've even written a book about it, Faith Versus Fact. I can see why, in extreme cases, that might be so. For example, if the teaching of evolution in schools is being challenged, of course you, as an evolutionary biologist, will strongly object to that.

The best books on The Incompatibility of Religion and Science

— Jerry A. Coyne, Faith Versus Fact: Why Science and Religion Are Incompatible. 1 likes. Like “If Christianity gave rise to science between the twelfth and sixteenth centuries, then you could give religion credit for everything that humans devised in that period.”

Faith Versus Fact Quotes by Jerry A. Coyne

Coyne repeats the mantra that science, unlike religion,

Where To Download Faith Versus Fact Why Science And Religion Are Incompatible

encourages doubt, and that science treats questioning as a virtue instead of a vice. This is a half-truth, as evidenced by the many untoward experiences that dissenting scientists had experienced in the past. If nothing else, this can include the denial of funding for research.
