Meanwhile, the Auditors' latest plan is to hire the Assassins' Guild to kill the Hogfather, the Discworld's Santa Claus analog. The task is given to Mr. Teatime, a creative but overly zealous young assassin, who has already hypothesized how to kill many anthropomorphic personifications in his spare time.

Hogfather (Literature) - TV Tropes

The Hogfather is an ancient being, who has seemingly kept his present form for some time; in Hogfather, Albert reminisces about his childhood memories of the Hogfather, more than 2000 years ago. The only difference in the Hogfather in that time seems to have been that he did not bring presents, but sausages and black puddings if you were lucky.
