To succeed when taking employment assessment tests, you must portray yourself as a highly motivated individual. Always agree or strongly agree with questions like these: Work is the most important thing in my life.

How to Pass an Employment Assessment Test - Part 2

"No assessment tool should be the definitive answer to whether a candidate is hired," remarks Picarde. "There are many other factors that come into play like talents and experience level." "The results may even show that you have the potential to learn to do the job but that you're not ready to be hired yet," Picarde continues.

How to Pass a Pre-Employment Assessment Like Caliper And ...

If the assessment is a skill-based assessment, try to answer the questions as accurately as possible. If the assessment asks questions about your personality and preferences, answer as honestly as you can. Try not to over-think your answers or tailor your responses to what you think the employer will want to hear.

How to Correctly Take an Assessment Test | Career Trend

Just jill, I think those kinds of assessment tests are judging whether you are a social type of person or an analytical one so I'd say the way to answer is dependent on the type of job for which you are applying. For example, if it's a sales job, I'd answer being more social. If you are handling the company's taxes, answer more analytically.

WiserUTips: How to answer tricky assessment test questions

Even if the first 10 questions ask about your personality traits, stay alert for questions about your aptitudes (such as potential for leadership or creativity) or abilities or your integrity (such as lying). These questions may require greater concentration to answer in ways that will help you.
