The symbolism of a black dog is known since long ago. A black dog can have different meanings in our dreams and now we will try to explain you the symbolism of these dreams. In the most cases a black dog in our dreams is related to something bad and evil. We all know that a black color is usually a symbol of darkness, depth and secrets.

Black Dog - Dream Meaning and Symbolism

I had a black dog that was keeping me company every day, making each of my movements heavier, my breathing laboured. The dog had gotten so large it blocked out the sunshine. No matter my successes, smiles from friends, love from people close to me nothing was sacred, everything was tainted and spoilt by 'the dog'.

I had a black dog - Katy Forrester

"I had a black dog his name was depression" is a cartoon documentary that chronicles what it means to be depressed using an animated black dog to represent the condition. The approach is innately appealing and uses clear and direct language without being patronizing or overly clinical.
