My favorite part about DigiLibraries.com is that you can click on any of the categories on the left side of the page to quickly see free Kindle books that only fall into that category. It really speeds up the work of narrowing down the books to find what I'm looking for.

Juergen Teller Go Sees

Juergen Teller's book, "Go-Sees", places a unique spin on fashion and the photography that helps promote the business. Almost as important as the designer, the model is chosen to not only wear the clothes, but to promote a lifestyle that is akin to the designer's vision.

Juergen Teller | Go-Sees (1999) | Artsy

When published in 1999 one could hardly know that this book would become legendary. Taken over a year in the doorway of his London studio, Juergen Teller 's portraits of models, most of them unknown, are a record of the "go-see", a term describing as an aspiring model and her vetting by a photographer.
