Manic is a memoir by Terri Cheney about living with bipolar disorder. Terri was an entertainment lawyer in LA who worked with high profile clients like Michael Jackson. She's also manic-depressive. What I really loved about this book is how much it taught me about bipolar disorder, something I previously knew little about.

### Manic: A Memoir by Terri Cheney

So to pick up Cheney's book and think that her story is the same as every other manic-depressive's story is wrong. It is now known that bipolar covers a broad spectrum (it is now commonly referred to as Bipolar Spectrum Disorder) as symptoms and behaviors can vary from person to person.
