### Martian Chronicles Ray Bradbury

The Martian Chronicles is a 1950 science fiction short story fixup by American writer Ray Bradbury, which chronicles the colonization of Mars by humans fleeing from a troubled and eventually atomically devastated Earth, and the conflict between aboriginal Martians and the new colonists. The book lies somewhere in between a short story collection and an episodic novel, containing stories originally published in the late 1940s in science fiction magazines.

### The Martian Chronicles - Wikipedia

In The Martian Chronicles, Ray Bradbury, America’s preminent storyteller, imagines a place of hope, dreams, and metaphor— of crystal pillars and fossil seas—where a fine dust settles on the great empty cities of a vanished, devastated civilization. Earthmen conquer Mars and then are conquered by it, lulled by dangerous lies of comfort and familiarity, and enchanted by the lingering glamour of an ancient, mysterious native race.
