Patriot survival guide - Survival Tips and Guides

The Patriot Survival Plan from Matt Stevens is a survivalist training and information course which claims that it can teach anyone how to be completely prepared for an economic and societal disaster. Their website makes some very extravagant claims, saying that anyone "from 9 to 90 years old" can follow their system, which covers "everything," and that people who finish their course will be as prepared as any expert.

FOOD 4 PATRIOTS - The Best Survival Food Kits ...

Set in the United States, James Rawles' "Patriots" starts with a plausible enough (but neither likely nor realistic) account of financial collapse leading to the collapse of society. The first half or so of the novel describes how a group of "survivalists" had prepared themselves for such an eventuality and details how they put their survival plans into action.

Water 4 Patriots is a water survival system that promises to help you purify bacteria-infested water using "LifeStraws". LifeStraws contain textile pre-filters that filter out 99.9999% of all water-borne bacteria. You can purchase the stars in a 2 pack or a 4 pack.

4 Patriots Review | Disaster Preparedness Co. You Can Trust?

The Patriots novel series is a five-novel series by survivalist novelist and former U.S. Army officer and blogger, James Wesley Rawles. It is followed by his Counter-Caliphate Chronicles novel series. Patriots: A Novel of Survival in the Coming Collapse, the first book in the series, was first distributed as shareware in 1995 and first published in paperback in 1998. It was updated and re-published in paperback 2009, and then in hardback in 2012. In one week of April 2009, shortly after its rele
