Planning Designing Schools Brubaker William

Brubaker, C. William. This book offers and examines a number of suggestions for school architecture. The book consists of a review of 22 school projects from around the United States. The text opens with a brief history of school design in the nineteenth and twentieth centuries, but the focus throughout the book focuses on several distinct elements: designing schools with beauty and character; the planning and building process; computers and their impact on learning and design; interior ...

ERIC - ED420163 - Planning and Designing Schools., 1998

Brubaker, C. William. Principal, v79 n2 p14,16,18 Nov 1999. School design is changing in response to community needs. Today, flexibility is the key word in planning, designing, and renovating schools. Planning teams should consider schools' role as community learning centers. School size, shared space, enrollment changes, security, and parental ...
