### Private Government How Employers Rule

Employers do not just govern; they dominate their workers. There are no choices. Rules are laid down and employees obey. It is as simple as that, and that brings us back to the question why do workers not see this? We wrongly assume that the private sphere is where government ends, and by extension, private liberty begins.

### Private Government: How Employers Rule Our Lives (and Why ...

Private Government is a thoughtful and well-edited book about how free market ideologies from pre-industrial economies have been widely misused by capitalists, libertarians, etc. in contemporary (that is, post-Industrial Revolution) economies, which has resulted in organizations resembling communist dictatorships (Anderson's words) dominating the private sector. As a result, workers are subject to arbitrary uses of power and left without a voice.

In many workplaces, employers minutely regulate workers' speech, clothing, and manners, leaving them with little privacy and few other rights. And employers often extend their authority to workers' off-duty lives. Workers can be fired for their political speech, recreational activities, diet, and almost anything else employers care to govern.
