You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

Road Closed A Di Geraldine

`Road Closed' is Leigh Russell's second novel - and the second in the D.I. Geraldine Steel series. For those who have read and enjoyed the first, Cut Short, the good news is that this new book is every bit as good, if not better, than that first instalment. The author keeps to a similar structure with this novel: the chapters are brief which helps to keep the story moving at a good pace, allowing us to enter various characters' lives in short bursts.
