Royal Commission for Jubail and Yanbu

Set standards and tests. Enabled
consensus in the engineering
community. The importance of the
British Royal Commission into Sewage
Disposal (1898-1915) to the maturity of
sewerage engineering has been noted
by engineers in the field, in a sense, the
Royal Commission marked the transition
from folklore to a scientific approach to
sewage treatment practices and
requirements and heralded the opening
of an era of rapidly developing and
increasingly sophisticated technology.

A royal commission is a major ad-hoc formal public inquiry into a defined issue in some monarchies. They have been held in the United Kingdom, Australia, Canada, New Zealand, Malaysia, and Saudi Arabia. A royal commission is similar in function to a commission of inquiry (or, less commonly, enquiry) found in other countries such as Ireland, South Africa, and regions such as Hong Kong.

Royal commission - Wikipedia

currently in use in the field and standard definitions for these terms. It is intended to serve as a useful reference for those in the Information Technology field, and to encourage the use of systems and software engineering standards prepared by ISO and liaison organizations IEEE Computer Society and Project Management Institute (PMI).
