I thoroughly enjoyed Brian Daley's "Han Solo at Stars' End," and I liked it primarily because it was a pulp adventure epic in the spirit of the old Saturday afternoon serials that used to be shown in movie theaters back before I was born. There is a difference between sci-fi fantasy and classic literary sci-fi like "War of the Worlds."

Lost Legacy marks the final book of the Han Solo adventure series by Brian Daley, and while it was still a fun read it was easily the weakest of the three IMHO. The story starts more-or-less like the others: Han and Chewie are just barely getting by until the prospect of a well paying job comes their way and an adventure ensues.

Background: Han Solo and the Lost Legacy was written by Brian Daley, and published in August 1980. It is the third of the three "Han Solo Adventures" written by Daley, who also adapted the Star Wars trilogy for radio. Han Solo and the Lost Legacy takes place a few months after Han Solo's Revenge (my review), 1 year before the battle of Yavin.
