Thomas Koshy Math

Thomas Koshy, Ph. D., is Professor of Mathematics at Framingham State College, Framingham, Massachusetts. He received Faculty of the Year Award in 2007. He is the author of seven books and numerous articles on a wide spectrum of topics.

Thomas Koshy - amazon.com

I recommend Koshy's book for all those people who are learning discrete mathematics for the first time in their life. I also believe that every one should have two books on discrete mathematics. One koshy's and the other roses's. These books lay good foundation for a bright career in true computer science.

Applications (2nd ed.)

Koshy: Math, fuzzy math, and reform math . By Thomas Koshy Monday Aug 20, 2007 at 12:01 AM Aug 20, 2007 at 8:13 PM. When China graduates nearly three times as many engineers as the U.S. and India twice as many, and when our graduate schools graduate mostly foreign students in math, science and engineering, we are heading to a serious crisis.
