People in many workplaces talk about organizational culture, that mysterious term that characterizes the qualities of a work environment. When employers interview a prospective employee, they often consider whether the candidate is a good cultural fit. Culture is difficult to define, but you generally know when you have found an employee who appears to fit your culture.

## **Culture: The Environment You Provide for People at Work**

Grace. We talk as though we understand the term. The bank gives us a grace period. The seedy politician falls from grace. Musicians speak of a grace note. We describe an actress as gracious, a dancer as graceful. We use the word for hospitals, baby girls, kings, and premeal prayers.
