engine was revised for the Astra H and Zafira B, to three different model designations, Z20LEL , Z20LER and Z20LEH .

Models & engine types for all GM Vauxhall & Opel's

BUT the z20leh I know LOTS about, this engine has internals to suit the power it is capable of, the pistons and rods are as standard of supreme quality, not only that it has internal oil jet squirters (I f'get their proper name lol) but these are a must for high power, giving relief to any overheating and potential seizing up issues, They solve the problem of cold start top end rattle, very common on most Astras, and are one of the best introductions to a vx engine. Whilst The z20let gsi ...
